## News Briefs

### Chain-Reaction Car Accident Injures 1 Grayling Teenager

A four-car accident on May 6 at 3:40 p.m., sent one Grayling teenager, Jerry Gauthier, 17, to Mercy Hospital for treatment. He was later released.

Vehicles one, two, and three, driven by Alan Erway, 18, of Frederic, Kenneth Fraley, 16, of Grayling, and Jerry Gauthier had stopped for traffic on Old 27, 1/4 mile north of M-93. Vehicle four failed to stop, striking the third car in the back causing a chain reaction accident.

Citations were issued. The accident remains under investigation by the Sheriff Dept.

### 5 Teenagers Arrested For Vandalizing Middle School Property

Five area teenagers were arrested Wednesday, May 4, in connection with the malicious destruction of property belonging to the Grayling Middle School.

Grayling City Police, while patrolling at approximately 1:15 a.m., discovered three males, between 18 and 19 years of age, and two females, between 17 and 19 years of age, vandalizing the new Grayling Middle School property. Prompt reaction by the Grayling City Police resulted in the apprehension of all five suspects.

Crawford AuSable School Superintendent Kent Reynolds credited the Grayling City Police's quick response with limiting the vandalism to the destruction of their temporary fencing and the loosening of three overhead light fixtures. Damage was estimated at \$100.

### Auto Accidents Injures 3 Downstate Residents

Three men were taken to Mercy Hospital by Crawford County Ambulance crews following a May 7 automobile accident. The accident occurred at 2:23 a.m. on Wakeley Bridge Road, south of North Down River Road.

Shawn Chmura, 25, of Sterling was admitted to Mercy Hospital and is listed in stable condition.

Scott Valley, 27, and Craig Valley, 25, both of Pinconning were treated and released.

### Last Day of School To Be Thursday, June 9

The Crawford AuSable School District School Calendar has been changed due to the lack of snow days during the school year. State law requires that any snow days beyond the first two be made up. The district had only two snow days this year and thus did not have to make up any days.

There will be no school on Friday, June 10, as it was scheduled as a make-up day. The last day of school will be Thursday, June 9, a half day of school with dismissal beginning at 11:30 at both elementary schools.

### Police Memorial Ceremony To Honor All Officers

The public is invited to the Police Memorial Ceremony, sponsored by the Crawford County Deputy Sheriff Association, to be held on Sunday, May 15th, at 2:00 p.m. at the Crawford County Sheriff Department. This ceremony is to honor fallen officers and show appreciation to those serving.

### County Historical Museum Starts Summer Hours Memorial Day

The Crawford County Historical Museum at the Depot will open for the summer starting on Memorial Day. The hours are from 10 to 4 every day except Sunday. The Museum is staffed entirely by volunteer help.

Memorials may be given in memory of someone. A plaque is to be hung in the museum and the names in whose memory the memorial is given will be on the plaque. For further information, call Bob Ruddy anytime or Marie Akers 348-7558 after 4 p.m.

### Celebrity Items Continue To come for Milltown Auction

Where can you find an autographed book by Alexander Haig, an autographed transcript of a 20/20 Show, an autographed script of the Bob Newhart Show, a set of Gerald Ford's presidential cuff links, and an address book of Michel Leclerc, plus many autographed pictures of famous personalities? In Grayling! When? In July! Keep watching for further details of this exciting event which now has more than 100 items from celebrities.

## Schools Cut Length, Amount of Millage

A reduced millage proposal, in length and amount, will be on the annual June 13 school election for Crawford AuSable School District voters.

The school board said the new proposal will offer three reductions from previous ballots without cutting current school programs.

1. The length of the proposal has been reduced from five years to one year.

2. The amount in Proposition I has been reduced from 3.95 to 3.25 mills.

3. Proposition II, which had asked for one mill for additional programs, has been dropped from the ballot.

In listening to the community, the school board felt that the current school finance reform effort in Lansing was an important factor in recent local district election results.

At a special meeting May 2, board members said taxpayers want and expect change in the present method of funding schools in the state. By reducing the local request from five years to one year, the board decided it could show it recognizes the importance of school finance reform to the community.

By reducing the proposal from five to one year, the amount of the millage needed

could also be reduced from 3.95 mills to 3.25 mills.

The projected increases in enrollments for future years will not be covered with the one-year millage but the 3.25 increase will handle the enrollment increases for this year and next year.

A state finance reform package may help the district deal with the future enrollment increases. Since no state reform could take effect until the 1989-90 school year, the school board is asking voters to continue current programs for the 1988-89 school year.

Proposal I, which asked for 3.95 increase plus 17.9 renewal, lost by 51 votes in February and 89 votes in April.

Proposal II, which lost by 210 votes in February and 323 votes in April, sought one additional mill.

The new single proposal on the June ballot will ask for the 3.25 mill increase with the 17.9 renewal.

School officials would like the June proposal to pass in order to have the millage on the summer taxes. If the millage does not pass, the school district would have to borrow money to operate until winter taxes come in. The interest on the loan would cost the district \$100,000 or more.

## County Dirt Pile To Insulate Building

If you have noticed a huge pile of dirt located on the southeast corner of the Crawford County courthouse parking lot, do not be alarmed or confused. The County did not decide to build a small ski slide in downtown Grayling. The dirt has a more practical use, says county commissioner Bud Joyce.

In 1985, architects plans were drawn under the supervision of then Building and Grounds Chairman, Larry Mattis, for the complete refurbishing of the County Building, both inside and out, to improve the heating, cooling and the aesthetics of the building, something never done when the building was constructed in 1969. The building had no plans for insulation or heating conservation, says Joyce.

The 600 cubic yards of dirt now piled high outside the building is to be used for "berming" the building from the ground to the windows. This, according to Engineers, will provide about a 23 percent saving in heating costs every winter as well as more comfort in the summer. The total heating costs for the 1987-88 heating season was \$22,500 for gas heat.

The 1985 plan, though feasible and needed, was necessarily "shelved" for lack of sufficient funding. The "berming" alone was estimated at a cost of over \$100,000.

The plan was recently revived, in part, when the Michigan National Guard volun-

teered to perform a worthwhile community project in honor of the 75th anniversary of Camp Grayling. The "berming" was submitted as one of the projects to be considered. Joyce, present Building and Grounds Chairman, planned for the use of National Guard Engineer Troops for dirt and placement once the building was prepared for insulation of blocks by Camp Lehman work crews. Placing black dirt for seeding, or using already "in place" sod would complete the project.

Joyce found out recently that the City of Grayling, in the midst of its summer paving projects, had considerable amounts of soil available at a reasonable price. By negotiating with the construction company, Joyce procured 600 cubic yards of soil for berming at a price of less than \$1.00 per yard, delivered to the Courthouse at once.

It is expected that the necessary insulation can be placed against the walls within the next few weeks and the National Guard will be able to move the dirt to the berming area, said Joyce. The total cost of the job will be many thousands of dollars less than anticipated in 1985. Heat savings of 23% will total approximately \$17,000 in the next three years. This will purchase and install needed insulation that will save approximately an additional 17% in heating costs. Joyce said the 1985 plans of Mr. Mattis could be a reality in 1988.

## Local Donation Record Set At Blood Bank

"Special people" performing "special deeds" is always newsworthy, and Staff Sgt. E-6 Alan M. Etson is indeed a "special person!"

For nearly 30 years Staff Sgt. Etson has been answering the call to donate blood. He began donating blood when he was 17 at the Saginaw Veteran's Hospital and since that day, he has offered to donate every 56 days or five times a year.

On Wednesday, May 4, Staff Sgt. Etson did it again! He entered the GHS gymnasium, rolled up his sleeve, and gave blood. Etson reached the 17th gallon mark for donating blood — the highest total ever recorded at a Grayling Blood Bank. It is impossible to estimate how many people have benefited from Etson's generosity.

When not donating blood, Staff Sgt. Etson is a cook, serving his 13th year with the Michigan National Guard. He has been connected with Camp Grayling for four years.

First Time Donors at the GHS Blood Bank were Caroline Shin, Scott Czuba, Robert Ellsworth, Lawrence Ostrowski, Deanna Phelps, Alison Wyman, Dawn Liberty, Jill Brackenbury, Lyle Studel, Keith Lawrence, Lucio Saraiva, Patricia Dostine, Ann Moshier, Wade Whitman, Kimberly Jacobs, Catherine Maule, Dawn

Porath, John Yerke, Nicole Weaver, Joseph Ruddy, Eric Waite, Brian Kernstock, Dawn Elekonich, Deborah Jones, Robert Pritchett, Patricia Trembly and Amy Denton.

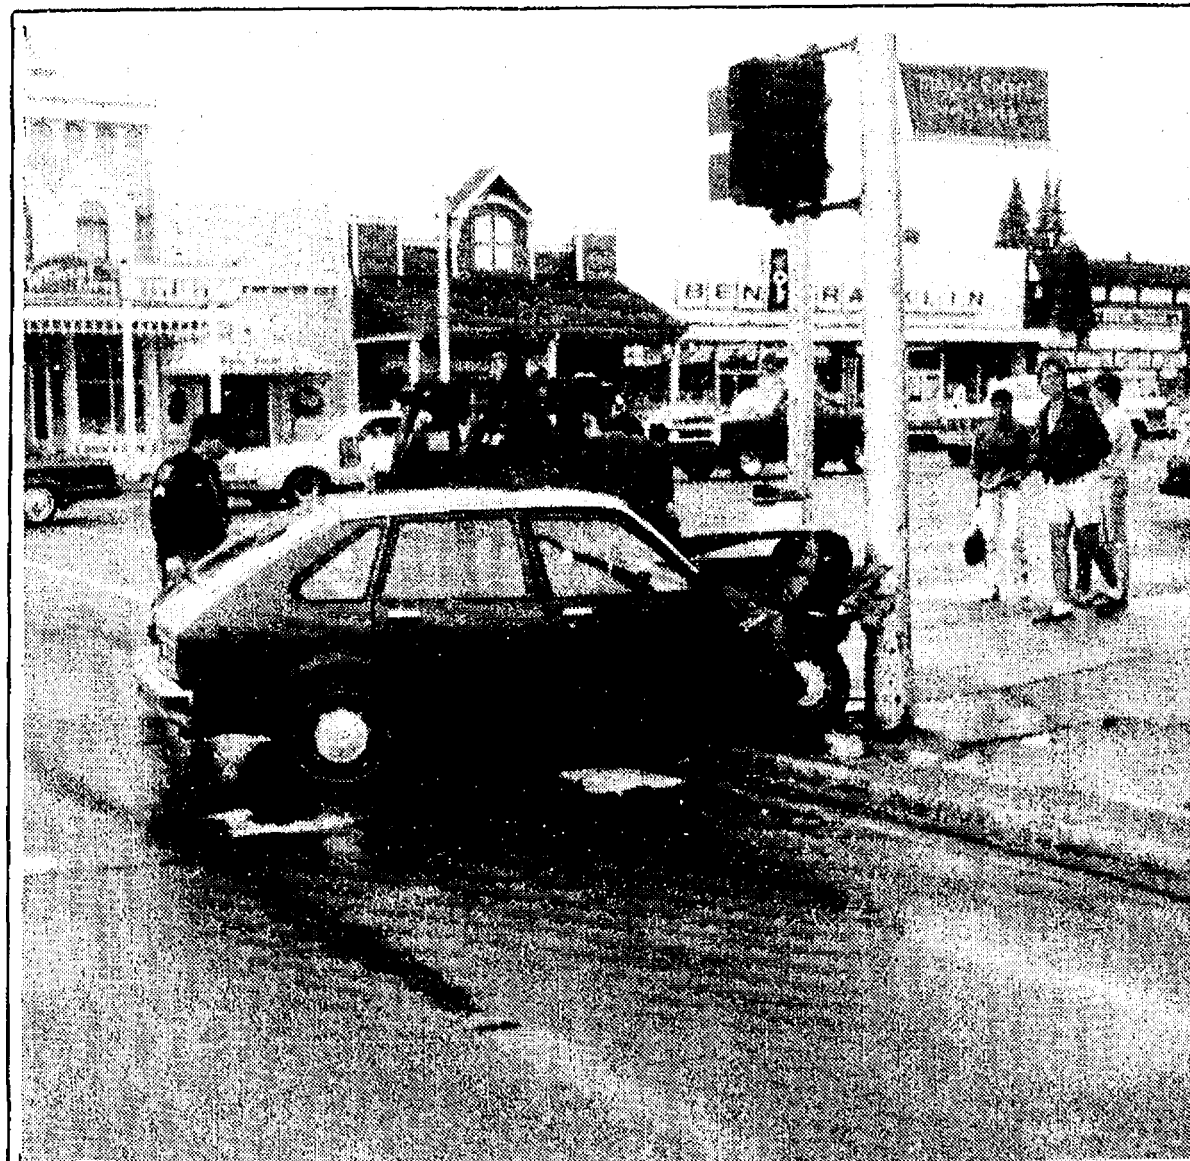

Receiving Gallon Pins were Alan Etson-

17 gal., William Root - 2 gal., and Richard Bitner - 1 gal.

The Top Donor Groups were GHS Students, National Guard and High School Staff.

**17th GALLON DONATED** — Staff Sgt. E-6 Alan M. Etson donates blood while Lori Dean, GHS Blood Bank Student Coordinator, presents him with a 17th Gallon Blood Donation Award.

**DOWNTOWN ACCIDENT** -This car driven by Ken Elliot, 17, of Grayling, wound up hitting a pole in front of the Half Price Outlet in an accident Monday afternoon at 3:53 p.m. City Police said the investigation of the accident isn't complete but witnesses reported a car driven by Betty Reava, 53, of Mt. Pleasant, made a left turn in front of Elliot's vehicle and the two autos collided. Elliot was taken to Mercy Hospital for treatment of minor injuries.

## Nesting Bald Eagles Draw Protection From Military, DNR, AMAC

A pair of nesting bald Eagles in southern Otsego County has temporarily united three groups, who have not always agreed on environmental questions.

The AuSable-Manistee Action Council (AMAC), the Department of Natural Resources (DNR), and the Department of Military Affairs (DMA) are working together to insure that a pair of bald eagles, nesting 100 yards from a Michigan National Guard artillery range, be allowed to complete their nesting process undisturbed.

The plight of the eagles was brought to public attention by Dan Alstott, executive director of the AuSable-Manistee Action Council. In a letter to Carol Favero, Environmental and Resource attorney for the Michigan United Conservation Club, Alstott stated his concern that the eagle, used every year, was being abandoned by the adult eagles during the time the National Guard troops and cannons occupied this location, leaving their eaglets to perish. Copies of this letter were sent to various news publications.

DNR wildlife biologist, Jerry Weinrich, has reassured local residents that, "eagles are very individualistic," and that eagles nesting in this area are, "among the most productive in the state." Weinrich completed an aerial reproductive survey in late April, and confirmed that the eagles' aerie was active. Following this inspection Weinrich said, "Eagles have tolerated the military activity — mainly the bombing — for many years. My concern is with the ground activity, and we (DNR) have requested that the military curtail all ground activities within one-quarter mile from the nest."

A second aerial inspection is scheduled for late May or early June to count eagle fledglings and identify nests for banding.

Military and DNR officials met informally at Camp Grayling on May 6. Attending this meeting were: Camp Commander Col. Richard Schmidt; Lt. Col. Brian Downey; Deputy Director for Region II, John MacGregor; and Wildlife Biologist, Jerry Weinrich.

In Lansing on May 10 the Michigan National Guard and the Department of Natural Resources announced changes in an on-going cooperative program to protect the nesting site of the eagle pair that has been successfully breeding in the military training area for over 15 years. Since the eagle's nest site is near two firing points

## Fire Burns 27 Acres

The county's largest forest fire this season burned for most of Sunday evening, May 8, destroying 27 acres of hardwoods.

An area resident, smelling smoke about 8:30 p.m., reported the possibility of a fire to the Crawford County Sheriff Department. The sheriff department dispatched a patrol car to the area, and discovered the fire at the corner of Pere Cheney and Stephan Bridge Road.

Firemen from the South Branch Fire Department and DNR firemen from the Grayling, Mio, Roscommon, and Houghton Lake offices contained the fire at approximately 11:00 p.m. Crews remained on the scene patrolling and performing mop-up tasks until Monday's rains soaked the area.

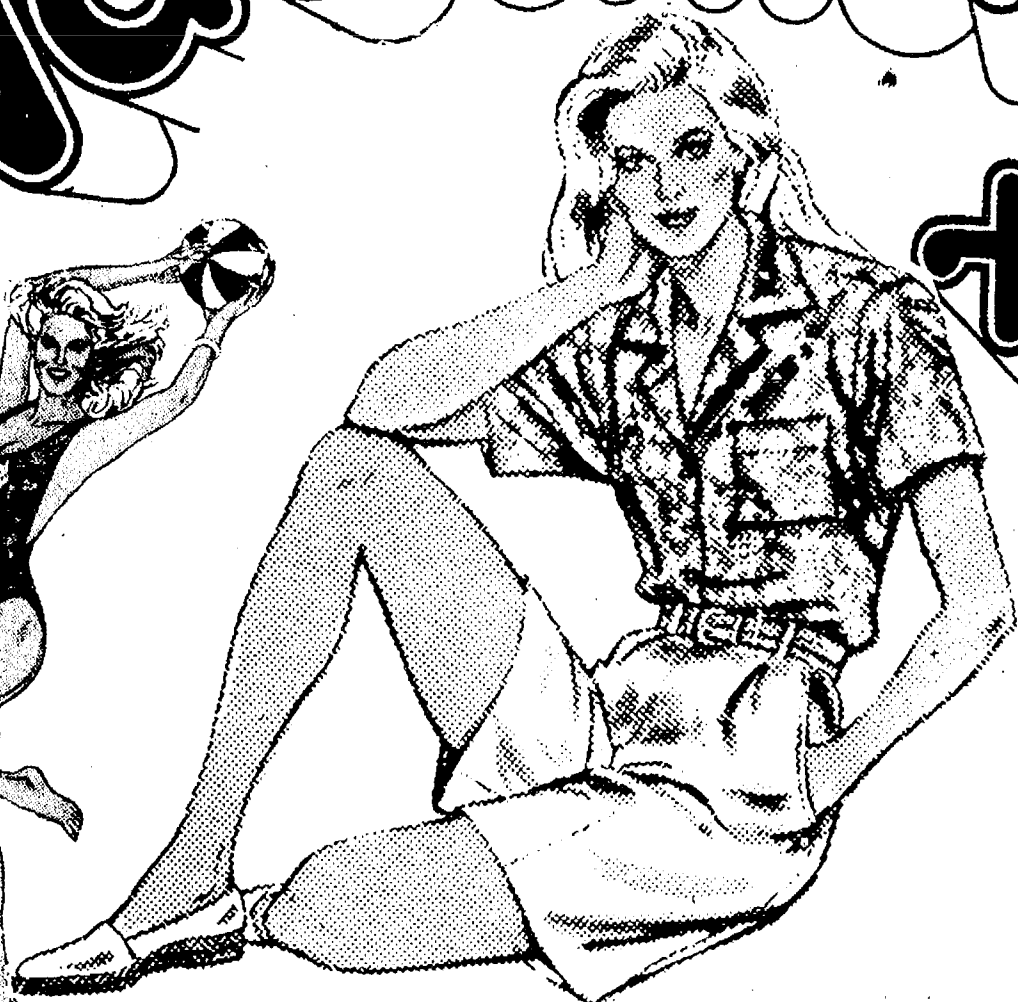

Duane Brooks, DNR Forest Fire Officer, said considering the amount of people using the area last weekend, fire occurrences were very low. Brooks credited extreme carefulness on the part of both residents and visitors for keeping forest damage low.

DNR fire fighters also assisted military firemen extinguish six small fires located on the military reservation.

## Nesting Bald Eagles Draw Protection

(Continued from page 1)

used by Guard artillery units, and since the nest's location is now widely known, the DNR felt the combination of military and civilian foot traffic justified special procedures.

Camp Grayling Commander Col. Schmidt has agreed to shift the Guard's two firing points outside the zone and to instruct units to keep out of the zone. The Guard will also assist DNR in temporarily rerouting a portion of a road that intersects the protection zone. And, as in previous years, overflights of the nest by Guard helicopters are prohibited.

"We are pleased with the assistance of the National Guard in assuring the eagle's nest will be undisturbed," MacGregor said. "We very much appreciate their help and support."

In order to enforce the limitations, DNR will close the area and ticket anyone entering the zone. In previous years the DNR and DMA were able to handle nesting changes without publicity, making a closure order unnecessary.

"The DNR and the Department of Military Affairs are working together, I think effectively, to mutually protect this eagles' nest," MacGregor said.

# ONE - The Grayling Middle School Band scored all one's from four judges at the state band competition in Clare Saturday. The perfect scores in performance and sight reading makes the GMS band one of the best in the state. Only two other bands, a Class A and Class D school,

received all ones at Clare. There were six state band competitions held Saturday throughout Michigan. Last year the GMS band received two's at the state level. GMS Band Director Denis Ormsbee said the band has been a real enjoyment to work with this year.

### Fine Arts Awards Night Rescheduled to Monday, May 16

The fifth annual Grayling High School Fine Arts Awards Ceremony has been rescheduled for Monday, May 16, at 7:30 p.m. in the Joseph Stripe Auditorium.

Highlighting the program are performances by the Viking Concert and Jazz Bands and the GHS Forensics team. Awards will be given to outstanding students in art, individual speech events, instrumental music and theatre. Following the ceremony, refreshments will be served in the cafeteria.

Students who have participated in visual and performing arts activities throughout the 1987-88 school year, their parents, and friends are invited to attend. The ceremony had been scheduled for May 12 before the change.

### Nominating Petitions Due For County, Twp. Offices

Thirteen Crawford County offices are up for election in 1988. These posts include seven 2-year seats on the Board of Commission, one 6-year position on the Road Commission, one 6-year term for Probate Judge, and the following 4-year offices: Sheriff, Clerk/Register of Deeds, Prosecuting Attorney, and Treasurer. All of these offices except Probate Judge are partisan seats, and May 31, 4:00 p.m., is the final day nominating petitions can be filed with the Crawford County Clerk's office.

Township 4-year offices open to nominating petitions are: Supervisor, Clerk, Treasurer, Constable (except in Beaver Creek and Lovells Township), and two Trustee positions. Township nominating petitions must be filed with the township clerk's office by 4:00 p.m. May 31.

Official petition forms may be obtained at either the county or township clerk's office. Election laws are extremely rigid regarding

the petition process and the laws change regularly. Qualified residents interested in running for county or township offices should contact the county or township clerk's office for filing directions to insure that their petitions are completed correctly.

### 'Meet Your Candidate' Draws 100

Approximately 100 people attended "Meet Your Candidate" night at the Lovells Township Hall on Tuesday, May 3rd. The meeting was co-sponsored by Lovells Hook and Trigger and the Lovells Home Extension Group. Eighteen candidates were on the agenda and all were present.

The following candidates spoke at the meeting:

Crawford AuSable Board: Ann Stephenson, and Gerald Worden.

Crawford County Commissioner: Joseph Callewaert.

Crawford County Road Commission: Clyde Anthony, George Emerson, and Arthur Thayer.

Crawford County Sheriff: Harold Hatfield, and Joseph White.

Judge of Probate: John Hunter, and Grace Wegner.

Lovells Township Clerk: Cheryl Hopp, and Helen Spencer.

Lovells Township Supervisor: Gabriel Lewis, Jack Ralph, and Hazel Koernke.

Lovells Township Treasurer: Dolores Haberland.

103rd State Representative: Ellen Adington (Patty Ulrich attended for her), and Barbara Selesky.

### ONLY GLOWCORE HAS THE RIGHT CONNECTION.

Introducing UniCore — our new integrated heating system that connects the furnace and the water heater. UniCore revolutionizes home heating by combining the efficiencies of our gas furnace and water heater into one extraordinarily efficient home comfort system.

#### THE SECRET'S IN OUR SINGLE BURNER

Because the furnace and water heater are interconnected, UniCore heats your home and your water with a single burner. Other systems require two burners which do twice the work and burn twice the gas.

#### LOWER OPERATING COSTS

Older heating systems are 55-65% efficient. Standard high efficiency systems (80-95% AFUE) can save 20-35% on fuel bills. By combining water heating and space heating, UniCore saves even more — as much as 30-45% on fuel bills.

#### COMPLETE HOME COMFORT

UniCore heats your whole house and provides enough hot water for cooking, dishwashing, laundering and bathing. An average family of four can do all this on our 30-gallon, fast-recovery water heater without running out of hot water.

#### GIVE US A CALL

And compare GlowCore to Lennox and Carrier. Only GlowCore has the right space and water heating connection — the new UniCore integrated heating system.

### Infant-Child CPR Class Set for May 19

An Infant-Child CPR Class will be held at Mercy Hospital, Grayling, on Thursday, May 19, from 6:30 to 9:30 p.m. in the Riverside Room. This class is important for new parents, grandparents, child care workers and babysitters.

"In our rural community the response time for an ambulance to arrive is generally more than can be tolerated by a child or infant who is not breathing," said Judy Banda, B.S.N. Education Coordinator at Mercy Hospital. "Knowing how to clear the airway and restore breathing or maintain artificial breathing until help can arrive significantly improves the victim's chances for survival."

To register for this class or for more information, call the Community Relation Office at 348-5461, extension 330. There is no fee for the class. If individuals wish to receive their American Heart Certification for this CPR module, the cost will be \$5 for the card.

# Opinions

## Northern Views

By Jon Thompson

RUTH FUNCK'S petition drive to add the PASS channel to Centel Cable TV has snowballed. Or should I say it has turned into an Avalanche.

At least 20 persons are circulating petitions and already several hundred signatures have been collected. The original petition goal was 500 signatures but they'll collect more if they can.

Funck, a Tiger fan for 50 years, started the drive so she would be able to watch an additional 80 Tiger games a season.

Helping her circulate petitions are DICK DUBOIS, KEN GOTHRO, GREG GOTHRO, LORETTA WHALEY, EARL WHALEY, KATIE FUNCK, STEVE PERSING, CINDY FUNCK, DAVE FUNCK, MIKE McNAMARA, BRIAN BRUNSKILL, GERRY ST. GERMAIN, ANN HAMLIN, LYLE BILLSBY, LARRY AKERS, NANCY PERSING, and PETE LATUSEK.

CAROL STEVENS, Centel Director of Marketing, said the petitions would be a good way to judge the demand for PASS in the area.

Petitions may be obtained from Funck, 348-9324. Persons interested in obtaining PASS for the area may also call Centel at 1-800-442-8551.

PETE LATUSEK has also started a petition drive requesting Centel to add the

Discovery channel to their cable service. He says the Discovery channel gives excellent educational and entertaining programs for children and adults as well. He has collected 50 signatures by himself and anyone wishing to help with this petition drive can call 348-9343.

Besides Tiger games, PASS also shows many Detroit Pistons games. Maybe if PASS was added to the cable system, Pistons fans wouldn't get robbed of seeing Pistons play-off games. For the last two years Tiger games have knocked the Pistons off CBS telecasts. The entire country watched Detroit play Boston last year and most of the nation watched Detroit versus Washington last Sunday. Not Pistons fans in Crawford County, however.

With PASS available, we could probably see both the Tigers and Pistons or have our choice.

LARRY AKERS has been discussing Fred Bear memorials with other Grayling residents. One idea that came up was to place a memorial or statue outside where it could be easily viewed by visitors. If anyone has ideas about a memorial to Fred Bear, call Akers at 348-8875.

## Letters to the Editor

### Squeakiest Wheel May Receive Upgraded Cable TV Service

To the Editor,  
After reading the April 27 and May 5 letters concerning the changes and upgrading of the Grayling Centel Cable System, we agree that the company must be responsive to its customers. For those of us outside the service area, just being a customer and receiving more than 2½ "snowwwwy" channels would indeed be welcomed. Standing over the T.V., holding the antenna, and trying to watch a "cliff-hanger" is not our idea of entertainment!

Centel Cable said that they would be expanding down M-72 West past Danish Landing Rd this spring, but now they're working on 2 other

costly projects, and we have to wait, again. Mr. Akers was correct when he suggested that Grayling residents need to call and write Centel Cable to express their wishes. And of course, if more people communicate with them, the sooner they will have to respond.

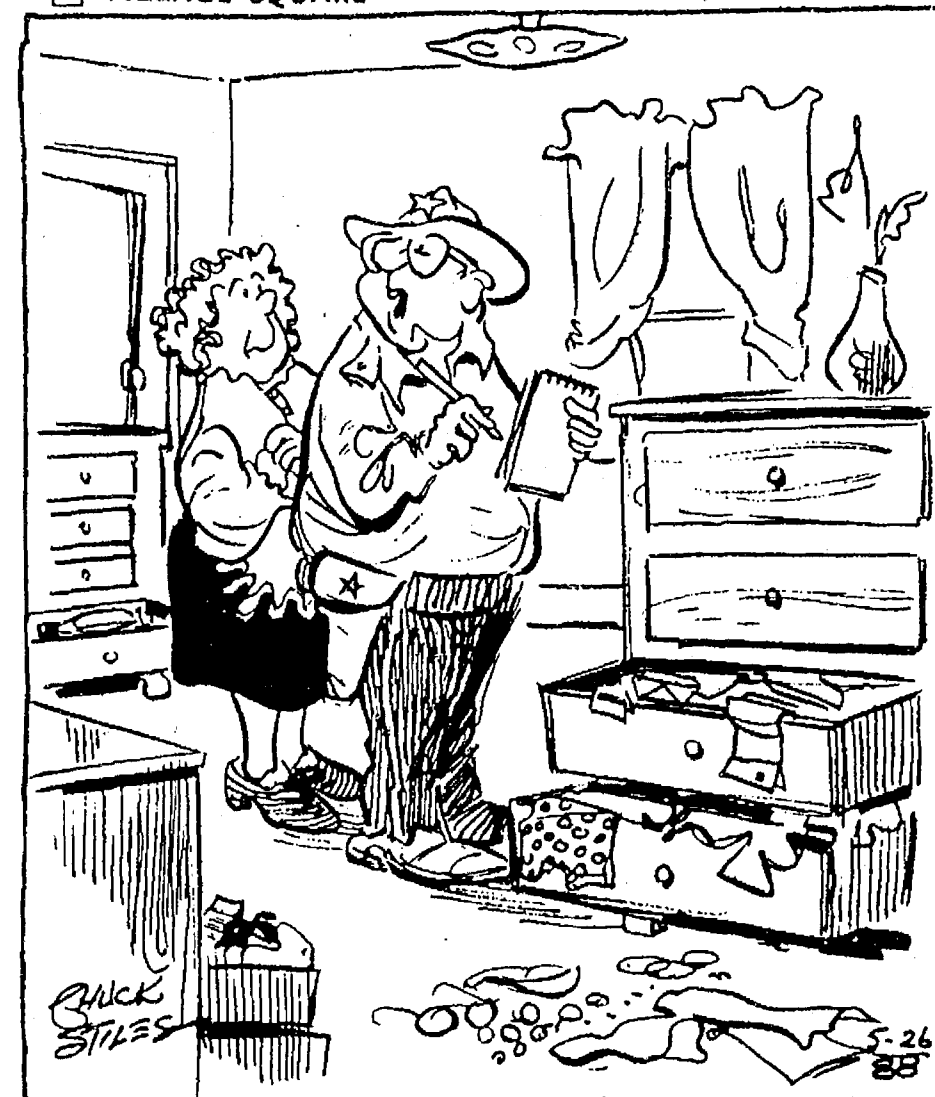

We have called many times to inquire about expanding the service area and have encouraged others to do so, even to the point of calling back on a weekly basis! But, they have to see overwhelming numbers to implement their "future" plans. Since they are the "only game in town" we urge all who are interested

in expanding and upgrading keep calling until they improve the quality of the system. We need to be the

"squeakiest" wheel.

### Bandathon Showed Unity Among School Bands

Dear Editor:

I just have to write and share the joy I have after a very successful bandathon held for ten hours on Sat. April 30. Those of you who missed the all day concert, did miss out. The Unity of the middle school and high school bands together was a joy, the help we had was a joy, the abundance of food we had was a joy. The kids even said it was a joy.

I enjoyed calling band member parents for food

donations for they too were a joy and so willing to help.

We are so fortunate to have a team like Dennis and Brenda Ormsbee, who did a lot of hard work to make this a success.

I can't imagine our school without a band - it makes for a unity - the unity we had at the bandathon.

I know we will win the millage election June 13 - I feel it in the air.

Karen Mirate  
Grayling

### Senate Report Claims Michigan Economy in Decline

By Warren M. Hoyt  
Michigan Press Association

Michigan's four-year era of recovery and expansion is over and the state is now in a cycle of decline, a Senate Republican-sponsored study concludes.

The study, written by economist Gene W. Heck, reviewed job and income trends, diversification, state strategies and recommendations for improving economic development in Michigan.

Senate Majority Leader John Engler (R-Mt. Pleasant) said the report "will serve as an excellent resource in the Senate and a blueprint for future business-related legislation."

But Lou Glazer, deputy director for the Department of Commerce, disputed the predictions of a state in economic decline. "If you look at independent studies done since Governor Blanchard started, they all indicate we're one of the national leaders. Michigan's comeback was real from 1983 to 1987," he said.

Many of the recommendations reinforce Republican proposals regarding the state's business climate, including: eliminating abatements under the Plant Rehabilitation and Industrial Development District Act of 1974; repealing the personal property tax on business; removing worker's and unemployment compensation costs from the Single Business Tax base; upgrading the state's current federal research and development grantsmanship initiatives; re-analyzing the state's present package of costly preferential financial and tax incentives; and creating a legislative "Job Development Committee" to study and improve the state's current economic development strategies.

Heck said Michigan's development strategy falls short in three ways: it is too

narrowly focused in its complex manufacturing goals; it neglects service sector development almost entirely; and it underestimates the impact of governmental policy costs as impediments to state economic expansion.

The report contends that Michigan's 1979-86 recovery was one of the weakest experienced by Michigan's economy in this century, and that by last October, the state's wage and salary work force had recovered to only 87.5 percent of its 1978 pre-recessionary level.

### D.D.S., COURTS TO AUTOMATE CHILD SUPPORT SERVICES

The Department of Social Services and the State Court Administrator's office announced the creation of a computerized child support enforcement system to facilitate support collections.

Social Services Director C. Patrick Babcock said the \$22 million system, 90 percent supported with federal funds, will be installed over the next three years.

The primary goal of the system, he said, is to increase the collection of support payments made on behalf of both AFDC and non-AFDC families through the Friend of the Court.

Court Administrator Robert Payant said the automated system will reduce over-all administrative costs for Friend of the Court, prosecutors and DSS child support enforcement process.

### SOLOMON TO CONVENE GROUP TO STUDY PRISON NEEDS

Management and Budget Director Shelby Solomon announced recently he is

convening an interagency group to study short- and long-term prison needs in light of new Department of Corrections projections that at least four more prisons must be built in addition to those already approved.

Solomon said he is concerned about the budget implications of operating the system that for special years has been on a path of unabated growth.

"I don't think we can simply keep moving along putting more and more people in prison, requiring longer sentences and stiffer sentences without recognizing the budget implication. We need a coherent corrections policy and the bottom line still needs to be keeping dangerous people off the street," Solomon said.

Corrections Deputy Director William Kime said new projections show at least four more prisons with 2,200 beds must be built, at a projected cost of \$160 million.

Current plans would expand the system's capacity to 25,239 by mid-1990, but projections indicate bed space will be needed for about 27,000.

Over 22,000 prisoners are now housed in various institutions, about 1,976 over capacity.

Solomon said he wants representatives of his department, the governor, corrections and other criminal justice agencies to study the situation. "We need to take a very hard look at where this is going," he said.

He said he not only wants accurate projections, but also wants to review possible alternatives to building new prisons. He said the study, which he hopes could be completed within 45 days, needs to look at immediate concerns and the ramifications of current policy.

## Almanack

### Media Monopoly Is No Worry

by Richard Milliman

THOSE WHO DEPEND upon one or both of the Detroit newspapers for news of what's going on around Michigan and/or the world-and that's more than a million readers in all, including quite a few right around here—are well aware of the controversy about the joint operating agreement for the Detroit News and Detroit Free Press.

The so-called JOA would permit the two media giants to combine most of their operations, but still publish two separate newspapers. Advertising, production, circulation, business office and most other operating functions would be combined, but the news departments and editorial staffs would remain separate. Profit would be shared.

Both the News and Free Press claim they are continually losing money; the Free Press claims to be a "failing newspaper," and its officers threaten to close unless the JOA is permitted.

It's all up to the United States Justice Department right now. Atty. Gen. Edwin Meese (or whoever is attorney general at the time), can give a green light to a JOA, or he can deny it. The ruling is expected in the next few months.

THE TWO NEWSPAPERS CONTEND, in a nutshell, that they both lose several million dollars a year, and that they can't go on this way. If they share expenses, then they both will be profitable and the public will be served better. With separate news/editorial staffs and separate editions, the same rivalry and competition will continue, and Detroit will continue to be a lively two-newspaper city.

Opponents of the JOA, in a nutshell, contend that the newspapers have been so busy fighting each other for market dominance that they have not tried hard enough to cut costs, and have not done the things that should be done to reduce losses and make profits. If the JOA is permitted, this argument goes, the public will suffer because there won't be competition for news and views and diversity of opinion.

As in most cases of public dispute, the truth probably lies somewhere between the extremes.

Personally, I hope the JOA is permitted, and I think it probably will be.

THE "FAILING NEWSPAPER ACT," under which a JOA for newspaper is permitted, creates an exception to the anti-trust laws for newspaper in a competitive town if one of them is threatened with failure. That's what the Free Press claims.

Going back a step, the anti-trust laws forbid doing what the News and Free Press want to do under the basic premise that such a merger of efforts would eliminate competition, so the public would only have one place to get their news and editorial opinions, and one place to buy their advertising. That may have been true once, but today it's fiction.

Look at the diversity of news options: All three national networks have television outlets in Detroit, and there are a number of independent stations, too, most with local news staffs. Radio stations are available up and down the dial. Weekly newspapers

and smaller dailies are prolific in the suburbs, and some circulate in Detroit as well. Dozens of newspapers, some with national circulation, are available in Detroit, as are magazines galore.

Competition for news and views? It's everywhere.

As for advertising outlets, they are even more numerous than news outlets. All of the above are eager for advertising, and lots of other sources are available too - direct mail, throwaway shoppers, billboards and matchbooks even - these are all forms of advertising.

Competition for advertising? That's everywhere, too.

Maybe the anti-trust laws should be re-examined in light of today's reality. They don't seem to fit as snugly as they once did. I don't think they fit the Detroit newspaper situation. That's the main reason I favor the JOA. It should not even require Justice Department approval. It should be an automatic option available for newspapers mired in a situation such as exists in Detroit.

I DO GET CONCERNED also with the definition of a "failing newspaper." Sure, the News and the Free Press are losing money. Maybe the Free Press would close if the JOA fails. But the pattern of media ownership and operation is vastly different today than in the past, it seems to be changing more every day.

The Free Press is owned by Knight-Ridder, Inc. The News is part of the Gannett Co. Both are strong, vibrant growing nation-wide media groups. Neither is in danger of going broke.

Gannett, owner of the News enjoyed new earnings in 1987 of \$319.4 million, on annual revenue of \$3.1 billion.

Knight-Ridder, Free Press parent, chalked up net earnings in 1987 of \$155.2 million, from its annual revenues of \$2.1 billion.

These figures are despite the red ink both companies ran up in their Detroit operations.

Clearly, both Gannett and Knight-Ridder could carry losing Detroit operations for a good many years - if they wanted to. It also seems obvious that both national companies could instill more profit-oriented steps in Detroit, if profit were their primary goal.

Would Knight-Ridder close up the Free Press if the JOA fails? I doubt it. A more likely scenario is that some other media mogul would buy the Free Press, change its tenor and style, and try to turn a profit with some different approaches.

DETROIT AND MICHIGAN are well served now with two fine, competitive Detroit newspapers. The News and the Free Press are among the best journalistic products in the country. That probably wouldn't change if the JOA is granted.

The bottom line in this situation is the public. Would the public be better off with the JOA in Detroit, or without it?

It's clear to me the public is better with two strong, vibrant, profitable newspapers in Detroit, and the JOA is the surest road to that end.

That's why it should be approved.

## A Look At Our Past

23 Years Ago  
May 13, 1965

Mrs. Joseph Stripe, Mrs. Don Koch and Mrs. Thomas Stancil took exchange students Rhea Stripe and George Stancil to Bellaire Monday evening for a briefing session for exchange students. George goes to Holland and Rhea to Spain June 20th. They will attend a picnic in Ann Arbor May 16th with other exchange students.

The marriage of Miss Barbara Jean Brown, daughter of Mrs. Jennie Brown of East Michigan, Lansing, and Mr. Roy Lovely of Pontiac, son of Mr. and Mrs. Roy L. Lovely of Grayling, was solemnized with a nuptial mass at twelve noon on Saturday, May 8, 1965, at the Church of the Resurrection in Lansing. Father Parks performed the double ring ceremony.

Mrs. Arthur Dodds of Port Huron, who had just returned from Antioch, Calif., and Tuscon, Ariz., with her brother, Elmer Cousart of Frederic spent the weekend with her niece and husband, Mr. and Mrs. Harry Souders.

Wednesday, May 19th, is to be "Fred Bear Appreciation Day" in Grayling. The entire community will take part in paying tribute to this industrialist who has made the town of Grayling famous everywhere as, "The Archery Capitol of the World".

Fred Bear was born on a farm near Waynesboro, Pennsylvania on March 5, 1901. While still in his teens, he was apprenticed to a pattern maker. After his apprenticeship, he moved to Detroit where there was a demand for this skill in the growing automotive industry.

During the depression years (1927) he established a small archery shop as a means of supplementing his income. Introduced to archery by association with the late Art Young, famous bowhunter often called "the father of modern bowhunting", Fred soon made archery his exclusive endeavor, as well as his hobby.

Since that time, the Bear Archery Company, headed by its founder and president, has established a long and unique record in the field of archery. Over the years, Fred has personally accounted for over 80 big game animals, including everything from Alaskan Kodiak bear to African elephant and Asian tiger.

In order to be where the hunting and fishing were best, Fred and his associates moved the business to Grayling. Since that time, Bear Archery Company has been the leading industry of Grayling and of Crawford County.

## GHS Student to Tour Europe with Choir

By Nancy Lemmen

Grayling High School junior Heidi Stephenson turned a band camp stint at Blue Lake Fine Arts Camp last summer into an opportunity to perform with its International Choir which travels to four European countries this summer.

Heidi, who plays clarinet in the Viking concert and marching bands, attended Blue Lake's band camp last August on a scholarship from the Band Boosters. At rehearsals one day the students were offered auditions for the International Band. Heidi says she didn't think she was good enough for the band, but "always like vocal music."

So she auditioned for Gretchen Stansell, director of the International Exchange Program, was accepted a week later and decided to participate in September.

Why did she hesitate for even a second? "It costs lots of time and money," she explains. Since October, Heidi and the other 54 members of the choir travel to Blue Lake one Sunday per month to rehearse for four to five hours.

Beginning June 10, the choir goes into intensive rehearsals. On June 18, they leave for their three-week trip to Denmark, Norway, Sweden and West Germany.

Each member is responsible for the trip expenses, which are \$3,000, plus additional costs - including uniforms, luggage, passport, electrical adaptors, souvenirs and host family gifts - which Heidi figures will bring the total to around \$5,000.

While she has been given financial aid from both the Crawford County Arts Council and the Grayling Promotional Association, the rest will be covered by her family. Heidi makes special mention of her grandparents, Jess and Doris Birtcher, who she says "have been very supportive and have given me lots of the money I need."

Since the choir will represent the United States while on tour, there are very strict requirements about travel, luggage and behavior. Members can only take one 22" suitcase and a

special flight bag which Blue Lake sells to each student. They must wear their uniform - navy skirts, pants or shorts, light blue shirts - at all times they're in public, and their performance attire - long navy skirts or slacks, white shirts - when they're in concert. Even their shoes and stockings must conform to the rules. The students have been instructed to take light clothes, so that they can be washed and dried on the line between performances.

Students will stay with host families, most of whom do not speak English. Like the other choir members, Heidi has been shopping for souvenirs to take to each family. The hosts are responsible for housing and feeding their guests, and for taking them to see local sights when they're not rehearsing or performing. The rest of the time, the group is traveling by bus or ferry, from city to city, country to country.

The International Choir flies from Detroit's Metropolitan Airport to Frankfurt, West Germany. There they begin their eight-city, nine-concert tour, singing, says Heidi, "in cathedrals, on streets, anywhere a town can have us sing."

Their repertoire has fifteen pieces, all which must be memorized. They will sing spirituals, hymns, folk, modern and patriotic songs in English, German, Italian and Swedish. Heidi says that the director, William J. Donahue told them at a rehearsal that singing "America the Beautiful" will mean the most to the young people, thousands of miles away from home. She explains, "He told us, 'It will bring tears to your eyes and to mine. And if you sing it like you really mean it, it will bring tears to the audience's eyes.'"

Donahue, the director of musical activities and coordinator of the arts at Ferris State College in Big Rapids, has been leading the choir in rehearsals for seven months. When the intensive rehearsals begin in June, the instruction will include basic study in the languages of their host countries. "We'll learn simple expressions

like "yes," "no," and "Where's the bathroom?" she smiles.

Does Heidi have an extensive vocal music background to perform with this group of talented youths from Illinois, Michigan and Ohio? No, she answers. "Every other person in the choir has vocal music programs in their schools except for me. So when he (Donahue) says, 'use your head voice' or whatever, they know what he means, but I don't."

Her only vocal music training has been in elementary school music with instructor Peggy Emerick, singing with a church choir and lessons from local teacher/performer Lorna Morse in 6th and 7th grades, who "taught me how to breathe right and hold a note longer." Heidi is presently working with Heather Ralph, a local piano teacher who is helping her learn singing techniques and piano playing.

Heidi, the daughter of David and Ann Stephenson, credits her family and friends with sustaining her confidence whenever it flags.

"They give me encouragement," she says.

Is she enjoying the experience so far? "I love it," she states. "It's a chance to represent Michigan and my city. I just wish there was a

vocal music program here to get more kids into it."

Yet even without years of formal study, Heidi has combined talent, enthusiasm and hard work to make participation in the Blue Lake International Choir a reality

for herself. And come June and July, as our young musical ambassadors fill the air in eight European cities with strains of "America the Beautiful," the town of Grayling will be represented there by Heidi Stephenson.

CHOIR TOUR - CCAC President George Morse presents Heidi Stephenson with a check for \$200 toward the Blue Lake International Choir tour.

## Elementary Notes

Mother's Day is Sunday, May 8. The class made ice cream floats. They are in little tiny cups. You can stick them on your refrigerator. We have a little magnet that we glued to the cup. They are little glasses and balls made out of colored cotton balls. We made a Mother's Day card and we wrote notes inside of them.

We're in level 9 in reading. It's pretty easy. But sometimes it's really, really hard. We read and write things about the stories in reading workbooks. We read in our books and then we have papers to write about the story. By Matt McKee and Nathan Weaver, Miss Johnson's third grade.

There was a hamster that slept almost all day in his cage in school in our room. Michael brought him in. It was his pet. Another pet was a dog. Tim brought him in. He stayed almost till recess time. There was a fire drill. When we came back in he was barking and squeaking. He was afraid of the fire drill.

We made a Mother's Day present. It was a book mark. We got a pink piece of paper and we wrote Mom on it and then we drew pictures on it and hearts and flowers. Then we had to make a picture down at the bottom. We are going to take them home for Mother's Day. By Brandon Mateos and Allen Labo, Miss Loft's First Grade.

We are making butterflies in school. We roll the marbles around in a pan. Paper is in the pan. Marbles are in the pan on top of the paper. The marbles have red and yellow paint on them. They get messy when they roll around. When they get dry

we will cut them out. When we mix red and yellow together, they make orange. Dictated by Casey Helsel, Mrs. Nunn's Blue Kindergarten Class.

We are learning about game number 5. It's a dot-to-dot game. And we've been learning about sound symbols and sense. We've been learning about dinosaurs. Our new color word is purple. We learned blue, yellow, green, brown, and red. We've been string painting. We dipped string in black paint and then we put the black string on the paper and then we put another piece of paper on top of it. It made string paintings. Dictated by Tanya Helsel, Mrs. Spencer's Blue Kindergarten.

We have an incubator in our classroom. We have fifteen chicken eggs in it. We got them in April. They should be hatching next week on Wednesday. Last Wednesday we candled the eggs. We saw the embryo which is the chicken. The two eggs that we candled may be hatching early and some eggs may not hatch but we hope all of them will. The embryo that we saw was moving.

We saw a video tape on the chicken and we had a question, "Which came first, the chicken or the egg?" We found out that the egg came first. In the video we saw a sea turtle laying eggs in the sand by the sea. We saw the baby turtles hatch. When they went into the water the waves pushed them back to shore. It named some other kinds of eggs. We learned that lots of animals lay eggs, even insects. By Kevin Annis and Annie Becks, Mrs. McEvers' third grade.

and everyone attending will  
want to order a boutonniere  
and corsage for their dates  
by calling Main Street  
Florals, downtown Grayling,  
348-7423. (Pd. Adv.)

## McEvers' Receives Hope Degree

Melissa S. McEvers,  
daughter of Mr. and Mrs.  
Derek E. McEvers, of  
Grayling, received a  
Bachelor of Arts degree in  
business administration  
from Hope College. Com-  
mencement exercises were  
held Sunday, May 8.

Hope College is a four-  
year, liberal arts college  
with an enrollment of 2,710  
men and women and is af-  
filiated with the Reformed  
Church in America.

## Card of Thanks

We would like to thank all  
of our many friends for the  
beautiful cards, flowers,  
memorials and prayers that  
were given in memory of our  
husband and father, Clair  
Smith.

We would also like to ex-  
press our appreciation to the  
following: Ladies of St.  
Francis Episcopal Church  
and Eastern Star for pre-  
paring the lovely lun-  
cheon after the funeral and  
the Rev. Carlos Caquiot,  
Pastor of St. Annes  
Episcopal Church in DeWitt,  
for his comforting words at  
the funeral. Also, Derek  
McEvers for his kindness  
and professional services.

The family of Clair E. Smith

## American Viewpoints

I have but one lamp  
by which my feet are  
guided, and that is the  
lamp of experience.

## Emerson Announces Candidacy For County Rd. Commission

George Emerson, 55, of  
Frederic, has announced his  
candidacy for a Crawford  
County Road Commissioner  
position.

Born and raised in Mich-  
igan, Emerson says Mich-  
igan has always been his  
home even though he spent

24 years in the military.

Emerson, who has a  
degree in business, retired  
from the Army Corps of  
Engineers. He has experi-  
ence in planning, super-  
vising, constructing bridges,  
dams, roads, airfields, and  
buildings.

He is a precinct delegate

from Frederic for the 11th  
District which includes  
Maple Forest, Frederic, and  
Lovells. He lives in a home  
he built in Frederic with his  
wife Olga.

"With a business degree  
and engineering back-  
ground, I would be an asset  
as road commissioner to the  
people who reside in Craw-  
ford County," he said.

**FISH HATCHERY DONATION** — Bob Smock  
(right) is accepting a check for \$200 from  
Kiwanis President Dwight Knasel (left) for  
assistance in the operation of the Fish Hatchery  
project.

## Avalanche Deadlines For News, Advertising

The deadline for community news in the  
Crawford County Avalanche is Monday, noon.  
Community news turned in by noon, Monday,  
will appear in that week's Avalanche, space per-  
mitting.

Letters to the Editor and photographs must  
be turned in by Friday, noon, to appear in the  
next issue, space permitting.

The deadline for classified advertising is  
Tuesday, noon. The deadline for display adver-  
tising for full and half-page ads or color ads is  
Thursday, 5 p.m. The deadline for all other dis-  
play ads is Friday, 5 p.m.

## 4 from GHS Forensics Advance To State

Four Grayling High School Forensics Team members won top spots at the Regional Tournament, earning themselves the opportunity to represent their team at the State Finals. Senior Wayne Sands won 3rd place in Sales Speaking, the team of Freshman Andrea Flowers and Candy Grigsby won 4th in Duo Interpretation (9-10) and junior Lori Dean placed 6th in Storytelling.

The annual Regional tournament was held at Midland High School on Saturday, April 22. Other GHS team members who competed at Regionals are: Dawn Elekonich, Dramatic Inter-

pretation; the Duo Interpretation teams of Amy Denton (jr.) /Janet Petrosky (jr.) and Cathy Maule (jr.) /Chris Zell (jr.); and Julie Huss (sr.), Original Oratory.

The Duo Interpretation team of Maule and Zell qualified for semi-finals at the Regional tournament with their reading taken from "The Shadow Box," by Michael Cristofer.

Chris Bindschatel (soph), Radio Broadcasting and An-

na Hagemeister (fr), Informative Speaking (9-10) earned alternate spots to Regionals.

"This is the fourth straight year that Grayling has qualified state finalists in the individual speech events program," said coach Nancy Lemmen. "Last year the team placed 3rd in the State in Class C competition with five entries. This year we are in Class B and are taking three entries, so it will be tougher."

EARN TRIP TO STATE FINALS -- Flowers, and Candy Grigsby Wayne Sands, Lori Dean, Andrea qualified for the state finals

### Free Glaucoma Screening Offered

Technicians from Northern Eye of Alpena will be conducting a Glaucoma screening clinic on Friday, May 13. The clinic will be held at the Crawford County Commission on Aging on Lawndale in Grayling from 10:00 a.m. until 12:00 noon. There is no charge and anyone interested may attend.

### Keeping Healthy

#### Foot Pain

Aching feet, a common and widespread problem, can usually be relieved by simple home remedies.

Foot aches and pains generally stem from strain due either to over-exertion or ill-fitting shoes.

Traditional advice about wearing sensible, nonconstricting footwear is valid. Most orthopedists applaud the use of running shoes for everyday wear; they are usually sturdy, fit the foot well, and provide a cushion between the foot and the pavement.

Some foot pain may be related to arthritis; about 10 percent of the population eventually experiences arthritis of the foot, most often in the big toe or the arch.

Most common foot pains respond to resting the feet, wearing comfortable shoes, and taking an over-the-counter pain reliever. If foot pain persists, seek medical advice. Prescription medication or, rarely, surgery, may be required.

#### Wealthy Few

A hundred years ago, a small coterie of Americans owned more than 50 percent of the nation's wealth, while the average annual wage was \$450, says National Geographic.

# Joyce Seeks County Commission Re-election

After considerable deliberation, Garland (Bud) Joyce says he has filed his petitions for re-election to a fourth term as a Crawford County Commissioner, District 7.

"There is just too much left to be done during the next two years that requires the experience and knowledge of ongoing and anticipated projects confronting the county that cannot be dealt with by a new commissioner, particularly in areas where I have been involved," Joyce said. "We have been working with

Public Commission, DNR, Consumers Power, Decker International Energy Co. and local wood products firms for construction of a 50 million dollar co-generating plant in the county for the past two years that will resolve many of our wood and other waste products. We have succeeded in eliminating the use of gas in favor of wood and other burnable wastes that clog our landfill. Our persistence has kept Crawford County in a favorable position. Hearings are currently in progress. We are in regular com-

munications with the P.S.C. via telephone or computer. This 50 million dollar project will bring a minimum of 50/75 new jobs to the community and must be constantly "followed" by knowledgeable people representing the county as well as our wood products people."

"Another important project yet to be addressed publicly is the overcrowded jail situation confronting us daily. Our capacity of 22 prisoners is constantly being exceeded forcing us to send our prisoners to other county jails at a cost of \$50.00 per day. The projections, based upon state and local studies, indicate an increase of 8% each year. This requires immediate study and plan-

ning for retention of felons during the next decade. The Sheriff Department is taxed to capacity at present. We see no State assistance to this problem, and no reduction of felonious activities in the County."

Among other achievements during his 6 year tenure as Commissioner, Joyce said he initiated a project in 1983 that allowed Crawford County to become the first Michigan County to be photographed by infrared photography. His acquisition of two grants totaling \$14,000 allowed area wood products companies to locate by size and type, all forestry.

In 1986, Joyce detected a flaw in a 1913 law that, once

corrected, brought Crawford, Kalkaska and Otsego Counties additional tax monies for certain military land. An additional \$30,000 in taxes were paid to Crawford County alone effective Jan. 1, 1988. This is a permanent, annual increase and is separate from the \$1.00 per acre "swamp tax" Joyce said he also pursued that brings \$58,000 per year to Crawford County, effective 1987.

Joyce is a former school superintendent who retired to Grayling for the past 12 years. He is President of Lake Margrethe Property Owners Association. His organizational activities include Rotary, Elks, St. Francis Episcopal Church among

many others. He is a 30-year member of the Michigan National Guard Minuteman Club and served in the Pacific Theatre for more than 3 years during World War II. Joyce and his wife, Jeannie, have one son, Mike, who learned to play baseball in the old Grayling "fast pitch" softball league and later pitched several years with the Chicago White Sox. They also have four grandchildren.

## VFW Post, Auxiliary To Sell Buddy Poppies

The Carl W. Borchers Post and auxiliary 3736 will be selling Buddy Poppies on May 19, 20, 21.

The Veterans of Foreign Wars of the United States was the first organization to promote a nationwide sale of Poppies made by disabled and needy veterans.

In 1923, the Veterans of Foreign Wars evolved the idea which resulted in the VFW "Buddy" Poppy - fashioned by disabled and needy veterans, who were paid for their work in assembling "Buddy" Poppies.

In February, 1924, the VFW registered the name "Buddy" Poppy with the U.S. Patent Office, and still holds all trademark rights in the name "Buddy" under the classification of artificial flowers.

## Hartwick Pines Friends Group Meets May 19

Friends of Hartwick Pines will meet Thursday, May 19, at 7 p.m. at the park headquarters. All persons interested in joining are welcome. For more information phone 348-7068.

Since May, 1924, the Veterans of Foreign Wars of the United States has annually conducted a "Buddy" Poppy sale.

## Donaldson Receives 1988 National Service Award

The Crawford County American Association of Retired Persons (AARP) board of directors awarded the 1988 National Community Service Award to Alex Donaldson for his outstanding volunteer contributions to the community.

Donaldson is a charter member of the local AARP chapter, and has served as president three times. He has been a member of the Crawford County Fish Hatchery Committee and has worked with the Grayling Beautification Committee. He is also an active member of the Retired Senior Volunteer Program (RSVP).

The AARP award was established to recognize the contributions of thousands of volunteers in nearly 2,600 local units of retired teachers associations and 3,700 AARP chapter nationwide. Their Motto is, "To Serve, Not To Be Served."

**DONALDSON HONORED** — Alex Donaldson received the 1988 National Community Service Award from the Crawford County AARP Board. Shown are (back row L to R) John Leykauf, Ed Lobdell, Velma Lobdell, Fran Olson. Front row L to R - Evelyn Shuraleff, Helen Leykauf, Alex Donaldson, Angela Kirkum.

**APRIL TOP STUDENTS** — Pictured above are the Grayling Middle School April "Students of the Month." Top row L to R: Chris Collen, Cory Moshier, Josh Cox, Tom Eldridge, Stephanie Boersma, Nikki Barnes, Sara Bobenmoyer, Tammy Romain, Christopher Wolcott, Mary Cole, Elissa Cox and Dale Nicholas, Principal. Bottom row L to R: Mandy Duvall, Tracy Schroeder, Troy Millikin, Mike Joseph, Eddie Brannam, Reid Jones, Robert Reese, Jeff Taylor, Amy Anthony, Kelly Harrison, and Kelly Louchart.

## 50- Member Teen Choir To Perform Here May 15

The 50-member teen choir, Pathway, will present a musical program, FOREVER, during the 11 o'clock hour at the Grayling

Free Methodist Church on Sunday May 15.

musical ministry by teens. A free will offering will be received.

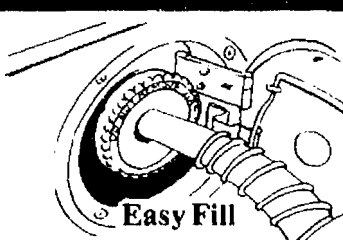

The choir, under the direction of Roger Allen, is one of several teen choirs made up of youth from various churches of the East Michigan Conference of the Free Methodist Church. The program is presented at local churches throughout the year.

A number of the youth accompany the group with live instruments and provide is invited to this special

## Bits of Talk

By Sandy McAnallen

Matilda Hunder's grandsons, Mike Hunter and Christopher Laurent came for a visit the weekend of April 30. While they were here they helped Grandma Hunter with that seemingly never ending chore of raking leaves! They also got some fishing in during their visit here but unfortunately did not have much luck reeling them in.

Ralph and Dorothy Kaseman of Shaw Park recently returned from a very pleasant vacation in

a Florida town near Ocala.

Imilda and Lloyd Stahl visited Imilda's sister and her husband, Alma and Russ Schmalz, for three days at the Schmalz's summer home on Presque Isle. The Schmalz's returned the visit this past weekend and were having breakfast Monday morning with the Stahls when I spoke with them.

The Chamber of Commerce hosted a Las Vegas Night the evening of May 6, 1988. It was a great success and quite eventful. The "Kitchen

Band" was one special highlight of the night as was a scene from "D.J.'s Blind Pig" which was re-enacted for the guests. The best gambling highlight of the evening was the drawing for the "experienced" baby blue 1972 Chevy Malibu. Lonnie and Mary Mooningham were the delighted winners.

We have many proud parents in Grayling. Fred and Nancy Moore of Grayling have a son, Patrick, attending Central Michigan University.

Patrick is a senior there studying art. He has acquired a beautiful touch with a paint brush over the years and his paintings were displayed by C.M.U. at a recent art exhibition.

Rosie Duley's daughter, Trish Duley, who is now a resident doctor at St. John's Hospital in Detroit, was awarded a fellowship to study oncology at Henry Ford Hospital in Detroit in 1989.

Glen's Market held a contest for third and fourth

graders inviting them to finish the phrase "I love my mother because..." Nine third and fourth grade classes participated in the essay writing for Mother's Day. Each class received a first and second place prize for the wonderful essays written and all of the students were able to frame their essay in a gold frame to present to their mother's on Mother's Day.

The third grade Winners were: Holly Anger, Adam Galvani, Julia McAnallen, Andrea Knepper and A.J. Stancil. The fourth grade winners were: Renee Neehan, Melissa Ann Rutkowski, and Jamie Evans. Third grade second place winners were: Jennifer Jurkovich, Kelly Taylor, Ben Haskell, Annie Henyon, and Kristen Ames. Fourth grade second place winners were: David Harris, Lindsey Brinks, Jacob Beckwith, and Sean R. Casey. The Grand Prize Winner was fourth grader Chris Kucharek of Mr. Hatfield's class at Grayling Elementary.

I heard about the entire Grayling fifth grade taking a field trip to visit the Capital building in Lansing and

while they were there they also attended the Impression 5 Museum. This is a fun and extremely educational event that won't be quickly forgotten by those fifth graders.

The fourth graders are going to Mackinaw City on May 17, 1988 to visit the historic Fort located there. Maybe one of the fourth graders will call me and tell me what it was like.

That's all for this week. Remember to call with any bits of talk, my number is 348-7439 evenings.

## Obituaries

### Elsie Reive

Elsie E. Reive, age 75, of Grayling died Wednesday, May 4, 1988, at Mercy Manor. A homemaker, she was a retired senior volunteer person and a member of the Kitchen Band.

She was born August 2, 1912, in Bloomfield Township, Michigan, to Ora and Dorothy (Roberts) Boyce. She is survived by two sons, Ora Reive, of Smyrna, Tennessee, and Thomas Reive, of Byron, Michigan, one sister, Lorraine Johnson, of Grants Pass, Oregon, and one brother, Thomas Boyce, of Drayton Plains.

Funeral services were held at 2 p.m. Sunday, May 8, at the Sorenson Funeral Home. The reverend Dwight Knasel officiating. Burial was in Oak Hill Cemetery, Pontiac.

### Ellen Jones

Mrs. Ellen Margaret (Cassidy) Jones, 85, of Salisbury, North Carolina, passed away on Friday, May 6, 1988.

Mrs. Jones was the daughter of Tom and Isabelle Cassidy, former owners of the Shoppenagon Inn in Grayling. She was an employee for the state of Michigan in Lansing, and later moved to Grayling. She owned and operated Margot's Gift Shop. She was preceded in death by her husband Paul V. Jones.

Surviving are two sisters; Mrs. V.A. (Bernadette) Thelen, of Grand Rapids and Mrs. E.J. (Mary) Hewitt, of Bay City, several nieces and nephews.

Burial was in Mt. Calvary Cemetery, Cheboygan. Memorial services will be held at a later date.

### Mabel Kemper

Mabel E. Kemper, age 80, died April 29, 1988, in Mercy Hospitals' Mercy Manor after a long illness.

She was born September 23, 1907, in Manton Michigan to Ira and Maggie Burgess.

Preceded in death were her husband, John Kemper Sr., who died in 1970, and 7 brothers and sisters.

She lived in Kalkaska County a number of years before moving to Grayling in 1984.

Survivors include one sister, Bernice Mattson of Mancelona, MI., three children, son, John Kemper Jr. of Kingley, MI Mrs. Charles Hedrich (Virginia) of Cridersville Ohio, and Mrs. M.C. Fox (Maxine) of Sebring Florida. Four grandchildren, 11 great grandchildren and 3 great great grandchildren.

Funeral services were held at Wolf's Funeral Home, in Kalkaska, on Monday, May 2, at 1 p.m. by Pastor David David Mix. Burial was at Stittsville Cemetery in Missaukee County.

### Betty L. Martin

Betty L. Martin, 65, of Midland, Mich., died Saturday, April 30, 1988, at the Midland Hospital Center after a lengthy illness.

She was born Nov. 22, 1922, in Flint, moved to Grayling as a child, and attended schools there. The former Betty L. Christensen married Howard Martin, April 10, 1943, in California. She was a member of the First United Methodist Church.

She leaves her husband, Howard; a son, Joel H. Martin of Mackinac Island; a daughter, Christine Martin of Houston, Texas; a sister, Anna Owens of Grayling; and four grandchildren.

She was preceded in death by her parents, Holger and Irele (LaBrash) Christensen.

Services were held May 3 at the Ware-Smith-Woolver & Co. Funeral Home with the Rev. Ira A. Bush officiating.

### Mitchell Midwagon

Mitchell M. Midwagon, age 75, of Beaver Creek, died Saturday, May 7, 1988, at Mercy Hospital. A retired machine operator for Chrysler Corp., he moved to Crawford County in 1977. He was also a member of the Disabled American Veterans #132 of Roscommon.

A Scriptural Prayer Service was conducted Tuesday evening at Sorenson Funeral Home. Funeral services were held at 11 a.m. Wednesday, May 11, at Sorenson Funeral Home with Deacon Bob Nolan officiating. Burial was in Elmwood Cemetery.

Born October 8, 1912, to Jonas and Anna (Mexcey) Midwagon, he is survived by his wife, Alice (Stoll) Midwagon, one daughter, Michelle Burchfield, of Southgate, one grandson, and one granddaughter.

### Card of Thanks

Dear Friends, We extend our heartfelt thanks to all of those who extended their prayers, cards, and gifts during Albert Madill's recent illness.

Our appreciation is also sent to Rev. Regan for his service and support, the Ladies of Frederic for the lovely funeral dinner, to Sorenson Funeral Home, and to all our family and friends for their never ending support and kindness during our time of loss.

Our lives will never be the same since the death of Albert, but the memories and enrichment we gained by having him in our lives will live on forever.

We have found comfort through all of the kindness offered and through knowing our loved one is now pain free and safe in the hands of God.

Sincerely,  
The Albert Madill Family

### IN MEMORY

In loving memory of Mother, Laura LaVack who passed away July 11, 1961, and Dad, Frank LaVack who passed away July 11, 1953.

What is home without parents,  
All things this world may send,  
But when I lost my parents,

I lost my dearest friends.  
Lyman & Yvette

### Card of Thanks

Perhaps you sent a lovely card, or sat quietly in a chair, Perhaps you sent a funeral spray, if so we saw it there. Perhaps you spoke the kindest words, as any friend could say; Perhaps you were not there at all, just thought of us that day, whatever you did to console our hearts, we thank you so much whatever the part.

By the family of  
Joseph Kessler

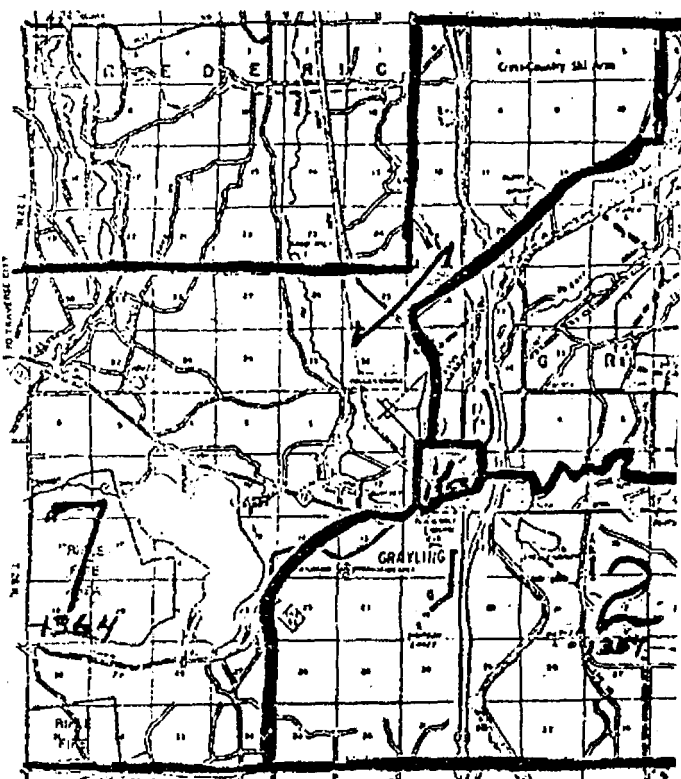

### CARD OF THANKS

In appreciation to those who were so kind to us on the death of our son, Wesley.

James & Peggy Petersen  
Jennie Petersen

## NOTICE

The Crawford County Board of Commissioners is accepting applications from persons interested in serving the unexpired term of District No. 6 Commissioner created by the resignation of John B. Miller.

Applicants must be a resident and registered voter of District No. 6, which includes all of Maple Forest Township and that portion of Frederic Township lying north of a line along the north section line of Sections 25, 26, 27, 28, 29 and 30 of T27N, R4W. This includes all of precincts 201 (Frederic Township) and 501 (Maple Forest Township).

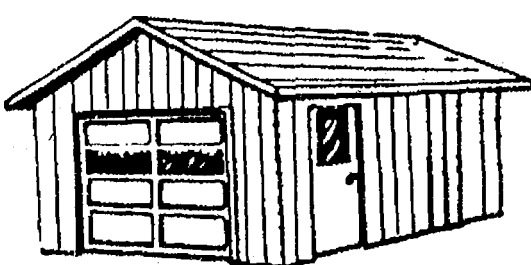

Resumes must be filed in the County Clerk's Office, Crawford County Courthouse, Grayling, MI 49738 by 4:30 p.m. on Monday, May 23, 1988.  
Elizabeth H. Wieland  
County Clerk/Reg. of Deeds -12-19-

## Strolling Around Town

By Fay Bovee

Some of my readers have informed me that they enjoyed this "strolling" column and because I did very few last summer I'll try to get a few more in this year. So if you have someone in particular that you want mentioned, only positive comments, please call. It isn't that I don't notice the trash and junk that some people leave around, it's just that I don't want to mention it.

First of all, I do have to tell you that I'm glad so many of you are enjoying our hillside of daffodils, hyacinths, and tulips. They had quite a time earlier when the snow fell and bowed their heads. But they survived!

The first weekend of glorious weather that we had brought out the people in vast numbers as evidenced by all of the winter debris that was cleaned up and piled by the curbs for pickup. Congratulations, Grayling,

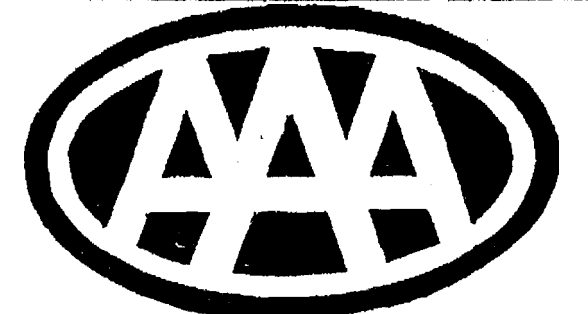

you did a fantastic job at the first sign of good weather.

The Weiss home on Michigan Avenue is undergoing extensive remodeling after the fire — a new fireplace, new windows, and new gray siding. The old Foley-Bishop house on Chestnut Street has received a new roof and extensive brushing out and looks much better. The Greenhouse is open at Otawa and Chestnut and some of our friends are dropping some green money for green

plants!

Street construction is continuing at a rapid pace with the north end of town getting new curbs, gravel being laid and the folks up there being glad to have it finished as they've had to park their cars in some inconvenient places lately. But it will be nice when it is done.

## SPORTS FANS!

I  
Bet  
You  
Didn't  
Know

Brought To You  
By Bill Hart  
Sales Representative

Of all the big league baseball records, which one will be the toughest ever to break?...A national news agency recently surveyed some experts and they say the toughest to break will be Cy Young's pitching record of winning 511 games in his career — and here's why... In all of baseball history nobody has ever come closer than Walter Johnson who won 416 games...No modern pitcher has ever gotten out of the 300s in total wins...So, Cy Young's 511 may be unbeatable.

Amazingly, in the 34 big league seasons from 1954 through 1987, the Dodgers changed managers only ONCE... The only time they changed managers in all that time was in 1977 when Walter Alston retired and was replaced by current manager Tom Lasorda...Alston had managed the Dodgers from 1954 through 1976.

Did you know there was one season in baseball when a pitcher had to throw more than three strikes to get a strike-out...Back in 1887, the rulemakers decided to experiment...That season a batter was permitted FOUR strikes...The rule lasted only one year.

I bet you didn't know... that you can see Bill Hart now and have a new car or truck the next day if not sooner! Give up old Betsy! She's given you the best years of her life, but you can do better! But you can't do better than seeing Bill Hart at Scheer Motors!

## Vikings Sweep 2 League Doubleheaders

Grayling improved to 8-3 overall and 6-2 in the league with doubleheader sweeps last week over Boyne City on Tuesday and Onaway on Thursday.

The Vikings beat Boyne City 5-3 and 12-8. Jeff Palmer won the first game and Chris Skidmore won the second game.

Mike McNamara hit a two-run home run in the first game and John Kinnee had two hits.

In the 2nd game, Kinnee hit a three-run home run and Flaskie Robins, Bob Butler, Palmer, Kinnee, and Jason Teddy each had two hits.

Against Onaway, Jason Teddy got the win in the 4-3 first game. Palmer earned a save. Kinnee drove in Palmer for the winning run.

In the 2nd game, Skeeter

Apps got the win with help from Skidmore in a 9-8 win.

The Vikings scored two runs in the 7th inning to win.

The Vikings play Sault Ste. Marie here Saturday and travel to Petoskey next Tuesday, May 17.

The Grayling J.V. team took a doubleheader from Cadillac on May 3rd winning 7-2 and 13-6.

In the first game, Tom Cox was the winning pitcher and Chris Bindschattel had three hits. Joel Mack, Tim Hough, and Max Prosser added two hits each.

In the second game, Mack was the winning pitcher and had three hits. Matt Branch, Shane Fraser, Brian Shephard, Harry James and Tom Dawson added two hits each.

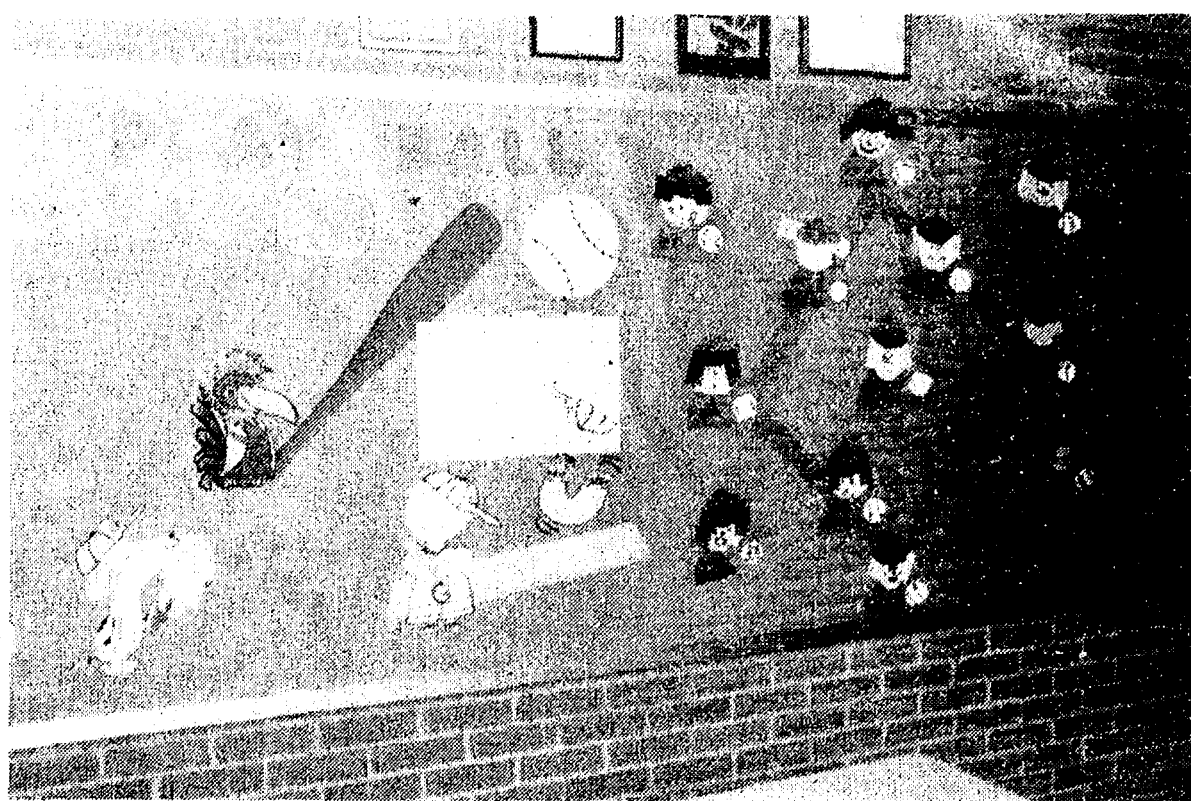

The junior Vikes dropped two games to Charlevoix on May 2 by 20-12 and 10-5 scores.

In the first game, John Jurkovich was the losing pitcher and Branch and Carl Mead each had two hits.

In the second game, Prosser was the losing pitcher and Mead and Prosser each had two hits.

### Women's Softball League To Meet

The Grayling Women's Softball league will have a meeting on Thursday, May 19, at 7 p.m. at Chief Shoppenagons Hotel. Sponsor fees for each team will be due at this meeting.

**LITTLE LEAGUE SEASON** — Play ball! — the theme of the bulletin board at the Grayling Elementary School made by the EMI room — is a reminder to the

community that the Little League candy sale is going on now. Little League players will be selling candy to raise money for the baseball program.

## 3-on-3 Basketball Draws 17 GHS Teams

17 teams participated in the 1st annual 3-on-3 BB Tournament sponsored by the Grayling Girls BB program and staff.

The 7 and 8th division winners for the guys were the Viking team composed of Matt Gingerich, Steve Branch, and Ryland Robbins. The Goobers won the girls division composed of Michelle Birchum, Bilye Morrow and Joyce Watros.

The 9 and 10th guy winner was the freshman 4 team with Shane Fraser, Ron Doe, Scott Nicholas and Matt Branch. US won the girls division with Andrea Flowers, Nikki Trenary, Nikki Morrill and Heidi Stephenson.

In the 11 and 12th division the Run and Gun team, Rob

Ellsworth, Todd Hull, Bud Ostrowski, and Dave Myers, beat McLane's Disciples team, Todd McLane, Steve Lehti, Terry Neilson and Fred Skippy, in overtime.

The tournament was staffed by Grayling Girls BB-coaches Howard Lehti, Mike Shearer, Dallas Hudson, Carrie Mayes, Jim Parker and David Stephenson.

### CARD OF THANKS

I would like to thank Dr. Mejia, the nurses, and Pastor Lochner for the visits and prayers and to my friends for cards, during my stay at Mercy Hospital.

Eva Horner

### 4 Promoted At Karate

The Hanson Hills Aikido and Karate club had a promotional testing recently. The following students were promoted to higher ranks: 8th Kyu-Rich Oliver, 6th Kyu-Patti Bash, 6th Kyu-Ted Bash, and 6th Kyu-Dave Pomeroy.

The public is invited to Karate gup testing Wednesday, May 11, starting at 5 p.m. for children and 6 p.m. for adults at the Bear Museum at Hanson Hills.

## Par for the Course

By Fay Bovee

A fun day of Scrambles started off the 1988 season of the Wednesday morning women's league on May 3. Threesomes were chosen, one from each flight with the exception of a foursome who managed to tie another team with a low score of 38. Nancy Hoffman chipped in on two holes, number 4 and 5 to give her team only 11 putts and a low of 38. The foursome of Pat Jackman, Barb Hazen and newcomers Diane Hudson and Tracy Henning tied the team of Hoffman, Corrine Smith and Doris Birtcher.

Other prizes were awarded to Corrine Smith for the longest drive on No. 4, Polly Montoya, another newcomer, with the longest putt on No. 5, Corrine for the closest to the pin with her drive on No. 8, and Jeannette Kitchen with closest to the pin with the second shot on No. 9. Jeanne Thompson was slightly chagrined with her short drive on No. 1 for which she won a prize, beating narrowly her teammate Rose Crawford! In spite of their drives, Jeanne and Rose declared it a fun day! Mary Jane Knibbs also chipped in on No. 1 for her team.

A very brief business meeting was conducted by Lynda Hetrick. Dues of \$20 are payable to treasurer Ricki Stahl. Guest day will

be this Wednesday, May 11. The group also signed a card for Babe Aderente who is ill and cannot join the group at this time.

A buffet lunch of split pea soup, egg and chicken salad sandwiches and tossed salad prepared by the club staff was served. Following the adjournment of the league, the lunch committee of Mary Jane Knibbs, Pearl Tucker, and Nancy Hoffman met with club manager Mike Hoffman to discuss future lunches. There will be three potlucks, one each in June, July, and August.

The Grayling Country Club is sponsoring a golf 'Swap Day' on Saturday, June 4, at the clubhouse from 10 a.m. until 2 p.m. Have you been cleaning closets, garages and attics and found some golf equipment you no longer need or have replaced. Maybe you have something your mother-in-law or Aunt Harriett gave you for a birthday or Christmas and you'd like to dump it. Here's your chance to sell, swap, or give away. The club will help you price it and add 10%, the proceeds of which will be used for youth golf. If you can't get rid of it that day, it can be left at the club for one week's time to try to be sold.

Here's a chance to pick up some used equipment if you're a beginner.

# The Bible Speaks

From Calvary Baptist Church

The Gospel of John  
Part No. 32  
False Disciples

For nearly 2,000 years Jesus Christ has had more false disciples than true. Even when He walked this earth, multitudes were seeking Jesus as disciples, but only a few were really saved.

Following the day Christ fed the five thousand and sent away the multitude, they came looking for Jesus. Knowing his disciples has gone in the only boat to the other side, and that Jesus was not with them, they too, as soon as more boats from Tiberias arrived, left for Capernaum, "seeking for Jesus." (John 6:22-24). Since they knew Jesus didn't cross the sea by boat, and didn't walk around the shore, because many of them remained in this area, they were curious about when and how Jesus reached Capernaum, but Jesus didn't tell them about the miracles of the night. (John 6:25). He knew they were following Him only to have their needs met. "Jesus answered them and said, Verily, verily, I say unto you, Ye seek me, not because ye saw the miracles, but because ye did eat of the loaves, and were filled." (John 6:26).

They were looking only for physical blessing from this life and not spiritual blessings which would last forever. "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you; for him hath God the Father sealed." (John 6:27). His physical miracle of feeding the multitude of thousands was intended to point them to

Himself as their Messiah, but they were so caught up with their physical needs and His physical provision they missed His spiritual motive for them.

Instead of worshipping Him as their God, they request ability to do the works of God that they may worship themselves instead of Him. "Then said they unto him, What shall we do, that we might work the works of God? False disciples think they are saved by works or self effort. They want to do the miracles and get the credit. They want self in the center. "Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent." (John 6:29). Complete faith and trust in the person, word, and work of Jesus Christ is the only thing man can do to acquire forgiveness of sins, and eternal life.

False disciples refused to obey Jesus Christ, they wanted to "take him by force, to make him a king." They didn't want to worship Him, they wanted to worship self instead. What reason do you claim to follow Jesus today? Are you a true of false disciple? You can't fool God.

(Hear "The Bible Speaks" at 12:15 p.m. Tuesday on WQON 100 FM).

## CHURCH DIRECTORY

### A Matter of Degree

Doctor? Lawyer? Accountant? Already Amy's parents are planning her future. They're saving to give her the best education of a noble, because they want her to be happy and successful. Her daughter to be proud.

It would be a pity if a good education automatically led to happiness and success, but unfortunately it doesn't. Many well educated men and women have failed miserably in life because they lacked the strength of character that would have sustained them.

There is no better training ground for the building of character than God's house. For the children are encouraged to follow a way of life that will not fail them.

Give your child the opportunity to succeed. Make sure that they are given the opportunity to gain a thorough knowledge of the Bible and a strong religious foundation.

## Legal Notice

STATE OF MICHIGAN  
In The District Court For  
The County of Crawford  
File No. 88-009-LT  
LOREN GOODALE d/b/a  
GOODALE'S MINI  
STORAGE,  
Plaintiff(s),  
vs.  
KENNETH R. LARKEY;  
Defendant(s).  
WILLIAM L. CAREY  
P31602  
Attorney for Plaintiff(s)  
ORDER TO ANSWER

At a session of said Court, held in the Crawford County Courthouse in the City of Grayling, this 3rd day of May, 1988.

PRESENT: HONORABLE FRANCIS L. WALSH, District Court Judge.  
On the 12th day of February, 1988, an action was filed by Loren Goodale, Plaintiff(s), against Kenneth R. Larkey, Defendant(s) in the Court for Landlord tenant eviction.

IT IS HEREBY ORDERED that the Defendant(s) Kenneth R. Larkey shall answer or take such other action as may be permitted by law on or before the 7th day of June at 1:45 p.m. 1988. Failure to comply with this Order will result in a judgment by default against such Defendant(s) for the relief demanded in the complaint filed in this Court.

Francis L. Walsh  
District Court Judge  
-12-19-26-

## Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 24th day of October, 1984, by GREGORY M. DORMAN and NANCY E. DORMAN, Husband and Wife, as mortgagor(s), to the United States of America, as mortgagee, and recorded on October 24, 1984, in the Office of the Register of Deeds for CRAWFORD County, Michigan, in Liber 229 of mortgages on pages 397-400; on which mortgage there is claimed to be due and unpaid at the date of this Notice Twenty Nine Thousand Two Hundred Thirty Four and 97/100 Dollars (\$29,234.97) principal and Five Thousand Six Hundred Ninety Eight and 12/100 Dollars (\$5,698.12) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default.

NOW, THEREFORE, Notice is Hereby Given that on June 2, 1988 at 10 o'clock in the forenoon at the front steps (east side) of Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of CRAWFORD, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described as follows, to wit:

That property located in the Township of Grayling, County of CRAWFORD in the State of Michigan, Lot 51, RIVER SIDE SUBDIVISION, according to the plat thereof, as recorded in Liber 1 of Plats, Pages 61 and 62, Crawford County Records.  
The redemption period will be six months from the foreclosure sale.  
Property may be redeemed by paying the amount of the bid at the foreclosure sale plus interest and any unpaid encumbrances on the property from date of sale. For additional information, contact UNITED STATES OF AMERICA acting through Farmers Home Administration, 210 S. Morenci, Mio, MI 48647, mortgagee.  
Dated April 20, 1988  
-21-28-5-12-

Sun seekers are not hoping for a warm Spring rain, but seekers of the elusive morel mushroom would like to see them grow a little faster. Morels are very perishable and should be processed quickly, by freezing, drying, canning, or cooking. Morels make a tasty addition to almost any dish, or simply sauteed in their own juice.

### Bouillon Morel Soup

1/2 c. onion, chopped  
1/4 c. butter  
1 lb. morels, sliced  
1 Tbsp. flour  
3/4 c. water  
1 chicken bouillon cube  
1/2 Tsp. basil  
Dash of Tabasco and salt and pepper to taste

Cook onion in butter until tender. Add morels and flour. Stir in water, bouillon cube, and seasonings. Cook, stirring constantly until mixture boils. Simmer 8-10 minutes, stirring occasionally.

Sandy McAnallen asked for recipes for microwave meat dishes. She may like this one.

### Chicken Broccoli Stroganoff

1 Tbsp. butter or margarine  
1/4 c. chopped onion  
3 Tbsp. flour  
1 (10 1/2 oz.) can condensed chicken broth  
2 c. cubed cooked chicken (or turkey or ham)  
2 c. broccoli cooked al dente  
1 (2.5 oz.) jar sliced mushrooms, drained  
1 (8 oz.) carton sour cream

Microwave margarine or butter in 2 quart casserole on high until melted. Add onion, cover with plastic and cook on high 2 minutes. Add flour, blend well. Whisk in chicken broth and blend well. Cook on high 4-6 minutes until mixture thickens, stirring once midway through cooking. Add chicken, broccoli, mushrooms and sour cream. Cook on high, stirring once, for 3-5 minutes or until mixture is hot and bubbles around edges.

Serve over hot cooked noodles.

### Stuffed Green Peppers for Two

2 large peppers, tops removed and seeded  
1/2 lb. ground beef  
1/4 c. chopped onion  
1/2 c. cooked rice  
1/2 c. chopped tomato  
1/3 c. barbecue sauce  
Grated parmesan cheese

Microwave peppers on high 3-4 minutes or until crisp-tender. Crumble meat into casserole, stir in onions. Cook 3-3 1/2 minutes until no longer pink; drain. Add rice, tomatoes and sauce. Fill peppers and cook 6-7 minutes or until thoroughly heated. Sprinkle with cheese.

### Cheddar Fish Rolls

3/4 c. shredded sharp Cheddar cheese  
2/3 c. fresh bread crumbs  
2 Tbsp. margarine or butter  
1/4 Tsp. dill weed, basil or tarragon  
2 fillets of Sole, Orange Roughy or Whitefish  
Combine 1/2 cup cheese, one tablespoon margarine, melted, crumbs and 1/8 teaspoon dill weed. Spoon onto fillets and roll up, starting at narrow end. Secure with wooden picks and place seam-side down in casserole. Brush with remaining margarine and dill weed. Cook 3-4 minutes until fish flakes easily. Sprinkle on remaining cheese and cook until melted.

Send in your recipes for Rhubarb and Asparagus.

Mary Jane Tripp contributed this easy Rhubarb upsidedown cake. It is even good served warm for breakfast. Mix 3 Tbsp. melted butter with 1/2 cup sugar and 2 cups thinly sliced rhubarb. Spread in an 8 inch pan. Prepare a white cake mix according to directions and pour over rhubarb mixture. Bake 35 minutes at 375°. Loosen edges and invert onto plate after 3-5 minutes. Be sure to use the small cake mix which makes one 8 inch layer.

## Poet's Corner

### The Trials Of Samantha Hunt

Today I woke and later said,  
I really should have stayed in bed.  
The clock had stopped and it was late,  
I burned the toast and broke a plate.

In haste I dressed and combed my hair,  
Dashed for the bus, no time to spare.  
My umbrella forgotten by the door,  
When suddenly, it began to pour.

I neared the bus stop on the run  
The bus roared by, my breath was gone  
One hour late, I hustled in  
And hoped my typing to begin.

My boss looked cross and so irate,  
Said he, "Miss Hunt, you were due at eight."  
He shook his head and walked away,  
I see that this is not my day.

A stack of letters to be typed,  
The R key skipping like it was hyped.  
With lunch break at a quarter of one,  
I must get all these letters done.  
Dear Sir, I will now reply to your letter of July.  
You may be sure that our aim is better service as we claim.  
May we convey our best to you. We await your check that is overdue.

The boss picked up my typed epistle,  
And gave a low and ominous whistle.  
Said he, "Miss Hunt, pick up your check,  
You've made me, a nervous wreck."

Hazel Koehnke Grayling

## Verse or Worse

By Joseph D. Murphy

### STRANGER IN MY MIRROR

Who is this old man in my mirror?  
I ask myself each day.  
What happened to that nice young man?  
He must have moved away?

But, this old man is a stranger,  
With trembling hands and wrinkled brow.  
Where's the young man I remember?  
I wonder what he's doing now.

Somehow I just can't believe  
That old man is really me.  
The same one who worked so hard,  
To provide for his family.

The man who could work for hours  
And never stop to rest.  
When it came to getting out the work,  
He could keep up with the best.

Now, I see a tottering old man  
That can hardly get around.  
I wonder where that young man went.  
I wish he could be found.

I'd like to see his face again  
To know that he was here,  
Instead of the old face I see, now,  
When I look into my mirror.

CERTIFIED OPTICIAN

### TYPES OF SUNGLASSES

**QUESTION:** What is the difference between the various kinds of sunglasses?

**ANSWER:** There are several different types of sunglasses lenses available. **TINTED LENSES** come in a variety of medium or dark shades. Neutral or gray tints do not modify the color of transmitted light and, where color accuracy is important, are the best choice. Most tinted lenses screen out ultraviolet rays, and some glass lenses also filter out infrared rays.

**POLARIZING LENSES** absorb some reflected light rays, screen out ultraviolet rays, increase contrast and are effective in combating glare from reflected light. **PHOTOCHROMIC LENSES**, commonly called sun sensitive or light sensitive lenses, darken as the sun gets brighter and lighten as the sun becomes dimmer.

## Your Week Ahead Horoscope

Forecast Period: 5/15 - 5/21/88

**ARIES**  
Mar. 21-Apr. 19 Financial opportunity abounds. You'll probably come up with bright money-making and money-saving ideas. Social contacts help.

**TAURUS**  
Apr. 20-May 20 You make a favorable impression on most everyone you come in contact with. Be sure you put this positive effect to positive use.

**GEMINI**  
May 21-June 20 Caution is advised in promoting your ideas. Maybe it's time for some self-analysis to better understand what it is you want.

**CANCER**  
June 21-July 22 Your social calendar looks pretty busy for these next few days. Pleasant encounters with nice people brings a touch of romance.

**LEO**  
July 23-Aug. 22 Career matters are highlighted during this new moon cycle. Recognition of a job well done brings honor and prestige.

**VIRGO**  
Aug. 23-Sept. 22 Your outlook broadens on current aims and aspirations. You might take off in new directions and explore distant shores.

**LIBRA**  
Sept. 23-Oct. 22 Look for relaxing pastimes to relieve the pressures of day-to-day responsibilities. Conserve your energies.

**SCORPIO**  
Oct. 23-Nov. 21 Developments occur right in line with your desires, and you don't need to clamor for attention from one you admire.

**SAGITTARIUS**  
Nov. 22-Dec. 21 Make sure you are in good physical shape before taking on additional responsibilities. A check up sounds smart.

**CAPRICORN**  
Dec. 22-Jan. 19 Indecision about where to shower your affections can drive others to despair. Try to be loyal and dependable.

**AQUARIUS**  
Jan. 20-Feb. 18 Home is where it's at right now. Entertaining visitors brings old friends back into the fold. Bury past hurts.

**PISCES**  
Feb. 19-Mar. 20 Listen to both sides before making up your mind on your course of action. You learn a lot that way.

## BUDDY'S WORKSHOP

### Adding a Duct Above Floor Level

We are in the process of remodeling and enlarging a room. Our house has central air-conditioning, and I was wondering how hard it would be to add a cooling duct to the larger room. I want it up higher since cool air falls and very little time will be spent in the room during winter months.

After you're certain your air-conditioning system can handle the extra duct, the rest is easy. You can tap into the plenum of the furnace with a take-off collar, then run a flexible duct to the closest corner of your new room. Cut a hole about six inches from the adjacent walls through the floor, then attach the flexible duct to a rigid duct. Then attach the boot so it will be about six feet from floor level.

When the ductwork is complete, frame up the corner with 2x2's and attach the boot to the frame, making sure to let the boot stick out 1/2 inch. When you put up wallboard around the frame, the boot will then be flush with the finished wall.

My yard didn't make it through the winter very well at all. Is there something simple I can do to help it recover?

Check your yard closely to see how much thatch it contains. If it has more than 1/2 inch, use a rake or a de-thatching tool to remove it. Some thatch is needed to help retain moisture, but too much robs the soil of warmth and provides a breeding ground for insects and diseases that can cause even further damage. Your yard will look pretty rough after you've completed, but it will recover in a few days once it can "breathe" again.

Questions? Write to BUDDY'S WORKSHOP, P.O. Box 639, Frankfort, KY 40602-0639.

## Resource Review

Bruce Patrick  
Conservation Officer

As I look out my window, I see the beginning of what has become an annual scourge for many people in the area. Little gray sacs are being formed along the branches of several trees in my yard. The spring march of the "army worm" or "tent caterpillars" has begun.

These larva of moths of the Lasiocampidae family spin tentlike silken nests along the limbs of trees and live in a constantly moving mass in the center of the nest. They leave and march along the branches to the leaves, which they consume to the point that the tree may be completely defoliated (generally, the trees are able to recover from this onslaught and survive).

Later in the summer, the

caterpillars leave the nest and head for any nook, cranny or crevice where they form a cocoon and await the next generation. It seems as if they prefer spots on or in houses, such as uncaulked gaps, tools, corners or just about any place people don't want them. It is not uncommon to see 20 or more crawling up the side of my garage, heading for such places.

I don't know of any effective and inexpensive control for these insect pests. Many people use various methods of manual eradication. Stomping, pinching, and burying are common. One other common method can cause serious side effects.

Every spring and summer, several wildfires are

started by persons trying to burn out the nests where the caterpillars live. Some of these fires become serious threats to lives and property. A singed caterpillar which fell into dry leaves and smoldered long enough to cause a fire to start threatened the town of Luzerne in the recent past. For this reason, burning is discouraged as a method of tent caterpillar control. If you feel you must burn a nest out, take precautions. Rake away all dry leaves, etc. from the vicinity. Never do it on a windy day. Wait until evening, or better yet a wet, rainy day.

Certainly the nests and denuded trees are ugly, but not nearly as ugly as the results of a forest fire.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

The Muskegon River near Evert is high and without the rapids to be found at Big Rapids. In 1891 Evert was a supply point for area logging operations as well as for the spring drive. With luck Charlie's crew will have the logs in the boom in another month. The river by now is literally covered by logs from rollways on the Clam, the West Branch and even the Dishwash. Charlie's crew is now working a beat of eight to ten miles long. When the rear catches up or the logs thin out, they will leap frog down river to pick up another beat.

May 11, '91—We had eggs this mornin. Frost on the blankets this mornin. Flowers startin to bloomed. May 13—Wore my feet raw walkin. Tired aworkin this beat. Tandin out on a bar ain't no fun. May 15—Big jam down from Evert. Twenty or thirty rats workin to break it. Got a boom cros up above. Charlie gives us till noon to

morow or he is going to blow er out. May 16—We done er. Charlie didn't get to play with his powder. She pulled after French cut a log. Pulled French out with a rope. Some bruised, but fit an red dy to go. May 18, '91—Went throo the rapids (Big Rapids) this mornin before

1st lunch (the rivermen ate four meals a day. Breakfast before daylight, first lunch at 9:30 a.m., second lunch at 2:30 p.m. and supper after dark at night.)

## Mobile Home Sale/Sealed Bids

The Department of Natural Resources will be accepting sealed bids for the sale and removal of a mobile home located on the state owned portion of the SW 1/4 of NW 1/4 of SW 1/4, Section 22, T25N, R2W, Crawford County. The mobile home is described as follows:

**1970 Cambridge 12' x 60' mobile home; set on a cement slab; includes axles, tires, and wheels, hitch, well pump, and tank; wooden porch and steps. The unfurnished mobile home is fully carpeted and contains one bedroom and one bathroom.**

The successful bidder will be required to remove the mobile home and all contents from state land as specified by the building removal permit (Use Permit PR 1138). The work must be completed by July 30, 1988.

The minimum bid amount is \$2,000.00

At least fifty percent (50%) of the successful bidder's winning bid price must be remitted and a \$300.00 performance bond secured, within 14 days of the sale date and time. The Building Removal Permit will then be issued to the successful bidder. The remainder of the bid price must be remitted prior to the commencement of removal operations. A copy of the Building Removal Permit is available at the Mio Forest Office.

The Department of Natural Resources reserves the right to reject any or all bids. Sealed bids must be received in the Mio Forest Area office prior to 3:00 p.m. Friday, May 27, 1988.

For further information on the sale and removal of the mobile home including bid forms, contact Mr. James McMillan, Area Forest Manager, Mio Forest Area, 191 South Mt. Tom Road, Mio, Michigan 48647, phone: 517-826-3211.

Gordon E. Guyer, Director

**CANCER DRIVE KICK-OFF** — The Crawford County chapter of the American Cancer Society held its annual "Kick-off Luncheon", April 29, at the Masonic Temple. The luncheon, sponsored by the Grayling State Bank, was prepared by the Eastern Star.

Awards were presented to the crusaders pictured above for their years of volunteer service.

L to R Marge Oliver, 10 years; Rose Duley, 25 years; Sophie Koernke, 20 years; Betta Kinsman, 10 years; and Sharon Hagerman, 5 years.

Other volunteers receiving awards but not pictured are: 5 year awards - Mary Brown, Phyllis Hamilton, Wendy Kucharek, and June Ryan. 10 year award - Marilyn Stancil.

## Vegetarian Diets Require Knowledge About Nutrition

If you're thinking of switching to a vegetarian diet to avoid fat and cholesterol, you need to know the facts about vegetarianism and how it affects your body.

There are three major categories of vegetarians: vegans, lacto-vegetarians and lacto-ovo-vegetarians. Vegans eat only foods from plant sources. They do not eat dairy products or eggs. Lacto-vegetarians do not eat meat, fish, poultry or eggs, but they do consume animal protein in the form of dairy products. Lacto-ovo-vegetarians do not eat meat, fish or poultry, but they will eat eggs and dairy products.

If you want to try a vegetarian diet you may want to begin gradually. Some first steps might include eliminating refined sugars and fatty or highly processed foods. As you cut back on these items, gradually increase the variety of fresh fruits, vegetables, grains and legumes in the diet.

Changing your diet may take a few weeks or months.

The slow adoption of a vegetarian diet allows the digestive system to adapt to the increased fiber and bulk you're consuming.

Vegans who eat only plant sources of protein must become knowledgeable about combining plant sources of protein to obtain complete proteins.

If you're following a vegetarian diet to avoid dietary fat, be aware that foods such as eggs, whole milk, soft cheeses, nuts and avocados are high in fat and should not form the main part of an alternative diet.

A woman who is pregnant or breast-feeding should speak with her doctor or nutritionist before starting a vegetarian diet because her need for protein vitamins, minerals and iron is much greater than the needs of a non-pregnant or a non-nursing woman.

Children also have special nutritional needs. A parent who is considering a vegetarian diet for a child must be sure the child is receiving vitamin B12,

calcium, riboflavin, vitamins A and D, and iron. Children who have small appetites may not be able to obtain a sufficient amount of these nutrients from a vegetarian diet. Their parents may need to give them dietary supplements and/or fortified soy milk formula.

Following a vegetarian diet requires paying close attention to nutrition, being knowledgeable about protein sources and eating a wide variety of foods.

### Mathews Completes Diamonds Course

Kay Ann Mathews, of Grayling, has completed a course in Diamonds with the Santa Monica, California-based Gemological Institute of America, and has been awarded the Institute's prestigious Diamonds certificate.

Established in 1931, the non-profit Institute is an educational and research organization serving the jewelry industry, with campuses and laboratories in New York and California. To complete the Diamonds course successfully, Mathews mastered a range of information and skills, from geology and mineralogy to world diamond market conditions and fashion.

## ... about your Social Security

### MORE MYTHS ABOUT SOCIAL SECURITY

In a recent column we discussed several myths that have plagued the Social Security program for years, and the facts about those myths. Here are a few more of those myths.

**MYTH:** Social Security is going broke.

**FACT:** This myth grows out of the problems the system faced in the 1970's when rampant unemployment, high inflation, and a defect in the cost-of-living formula meant severe short- and long-term deficits. Special legislation in 1983 solved the problems. Since

then, the trust fund reserves have been building steadily. The program is now sufficiently financed to pay benefits well into the next century.

**MYTH:** Most people don't get their money's worth from Social Security.

**FACT:** In fact, most people do get their money back from Social Security under today's system. A 65-year-old worker who has paid taxes on the maximum amount of covered earnings throughout his or her career has paid \$26,371 in Social Security taxes through 1987. He or she could expect to get that sum back in less than

three years of receiving benefits. Based on average life expectancy at age 65, the retired worker could expect to continue receiving monthly benefits for another 10 years if a man, or 13 years if a woman. Future retirees also stand to get their money's worth, although it may take longer.

People also should not overlook the fact that while they are working and paying Social Security taxes, they are also buying an excellent insurance policy — protecting them and their families in the event the worker becomes disabled or dies.

**MYTH:** Social Security

funds are used for all sorts of government projects.

**FACT:** Social Security taxes are by law, used only to pay benefits and administrative expenses of the program. Any reserves in the trust funds must be invested in US Government bonds, which generate interest income for the trust funds that is used to pay benefits. In 1986, the trust funds earned \$4 billion in interest from US Government bonds. The myth results from the fact the government uses the money from the sale of bonds to Social Security for routine expenses, along with other money

in its general fund.

To get all the facts about Social Security and how it works for you, write or call for the free brochure, at Pueblo, Colorado 81009, or call toll free 1-800-937-2000.

If you're applying for Social Security benefits, just call the Traverse City office at (616) 946-8360. Hours are 9:00 - 4:30, Monday through Friday.

A representative is at the County Building in Grayling on the first and third Tuesday of each month, from 10:30 until 2:00. There is no phone service at this location. Callers should contact the Traverse City office.
